Garden

As the photography suggests the gardens/land adjacent to the property have the potential for a building plot, subject to relevant planning permissions and constraints. However, this land currently has a beautiful flat lawned garden with central tree, and with mature flower, shrub and bush borders. The garden to the side extends further, with a hard standing for a greenhouse and further hardstanding for a summer house. The gardens truly are magnificent, with part fenced and part hedged boundaries. There is also a sheltered patio area at the rear of the property, which is an ideal space for al-fresco dining and bar-b-qing. There is an external tap, and an external security light and external portico light.

Externally the property occupies a fabulous double plot, which is well maintained and features well stocked mature flower, tree and shrub borders. Immediately to the front of the property, there is a tarmac driveway with off street parking for two vehicles with one of the driveways leading to the attached Garage. The garden to the front is laid predominantly to lawn, with flower and shrub borders and there is a flagged pathway, which leads across the front of the property and down the side.
