Brief Description

33 St Marys Street is a wonderful Grade II Listed Georgian end terrace House, which exudes warmth and character throughout. Having been decorated with a stunning palette of colours which complement the property, the extensive accommodation has potential to create a self-contained annexe subject to any necessary consents that may be required, which would be ideal for multi-generational living or as a holiday let. On the ground floor the welcoming Entrance Hall leads to a large dual aspect Lounge having an open fire; another reception room which is currently being used as a Study; a Kitchen with painted timber Kitchen Units and Island, having an AGA (which can be removed and replaced with a range cooker); Dining Room with open fireplace; Utility Room with WC; a further Cloakroom with WC and hand basin and stairs leading to Cellar.

The Principal Bedroom with generous Ensuite Bathroom can be found on the First Floor, as well as Two Further Double Bedrooms, one of which has its own Dressing Room and Ensuite Shower Room and a Study (could be Bedroom Six). Another two Bedrooms, which are also doubles, one of which has an Ensuite Shower Room are on the Second Floor.

Outside, there is a pedestrian side Entrance from St Marys Street leading to the rear walled garden, providing a pleasant place to sit and enjoy fine weather; tucked away in the garden is a partially open fronted brick outbuilding which not only provides storage but also a place to enjoy the outdoors when the weather is not so fine.
