RESIDENTIAL DEVELOPMENT
79 EASTGATE, PICKERING
NORTH YORKSHIRE
YO18 7DW

Prime residential development, occupying the site of the former Eastgate Fisheries.

Full planning permission for 4 dwellings, with associated gardens and parking.

Planning reference: 22/01131/FUL

The development occupies the site of the former Eastgate Fisheries and amounts to just over 0.1 of an acre. Full planning permission has been granted to construct a pair of mews style cottages, which would have a frontage onto Eastgate. Each cottage provides approximately 620 square feet of accommodation with kitchen, sitting room and cloak to the ground floor. To the first floor; two bedrooms and the main bathroom. Towards the rear of the site there is permission to build a pair of semi-detached dormer bungalows. The proposed accommodation allows for an open plan living dining kitchen with utility, ground floor bathroom and two bedrooms arranged over two floors. Each property has grounds and associated parking, and we understand that all but one condition has been discharged on the site.

Development opportunities of this type are increasingly scarce, and it is worth noting that none of the dwellings are subject to any kind of occupancy condition or affordable housing contribution.

SERVICES & ACCESS - The site benefits from good works access and has the advantage of mains services close by on Eastgate.

VIEWING – All viewing is strictly by prior arrangement with the selling agents. Telephone 01653 697820 or 01751 472766.

LOCAL PLANNING AUTHORITY – North Yorkshire County Council, Ryedale House, Malton, North Yorkshire, YO17 7AH, Tel: 01653 600666

Measurements are approximate and are intended for guidance only. These particulars whilst believed to be accurate are set out as a general outline only for guidance and do not constitute any part of an offer or contract. Intending purchasers should not rely on them as statements of representation of fact but must satisfy themselves by inspection or otherwise as to their accuracy. No person within the firm's employment has the authority to make or give any representation or warranty in respect of the property.
