INTRODUCING
THE NATURE
COLLECTION

The Nature Collection has a prime position within Kidbrooke Village, bringing the natural benefits of this unique location up close. It really is a case of 'everything on the doorstep'.

Located on the very edge of South Cator Park, with its lush planting and waterways, The Nature Collection is a neighbourhood of apartments and townhouses. It's an oasis of calm, but at the same time very close to the social hub, The Village Centre, where there's a supermarket, pub and train station. It really does give you the best of all worlds.

INSPIRING

INSIDE SPACE

Waterlily Court is your opportunity to choose a home at The Nature Collection which overlooks South Cator Park. Here, we're setting the standard with a superior range of 1, 2 and 3 bedroom apartments, and eleven 3 bedroom townhouses.

Waterlily Court has been designed around the history of Kidbrooke - originally meaning 'the brook where kites were seen' and there are three ancient streams running through the area.

These streams feed the modern water features of the village, and at Waterlily Court we've designed our interiors to maximise and celebrate this. You'll be able to enjoy wonderful views of the waterways or open space in South Cator Park from your generously sized balcony or through the full height windows of your light-washed open plan living room, offering a different outlook every day as the seasons and the weather change.

RELAXING

OUTSIDE SPACE

Waterlily Court podium garden is really a park within a park. Tucked discreetly between the apartment buildings, it's an oasis of peace and mindfulness, offering views over South Cator Park, and is open to residents only.

Cherry trees, silver birches, colourful ornamental grasses, evergreens, seasonal flowers, sage and lavender all play a role in creating a space for contemplating life and feeling just a little more... Zen.

CATOR PARK

COULDN'T BE CLOSER

...

Waterlily Court sits alongside South Cator Park, giving it a prime position for enjoying the emerald in the Kidbrooke Village crown. Many of the apartments have views of its water features and trees, and the park is only moments from your door. Sutcliffe Park, the other major green space in Kidbrooke Village, isn't very much further.

Cator Park was conceived at the very beginning of the Kidbrooke Village story, and is now very well established as a haven for people and wildlife.

The entire park offers a wide range of features and things to do. Cycling, walking, sitting in the sun, and sports in the multi-use games area are just some of the ways to enjoy local park life. Residents have set up groups for running, yoga and tai chi, which of course you are welcome to join.

It's also a very ecologically-minded open space, with wildlife-friendly areas including lavender mounds which are irresistible to bees. Reclaimed timber has been used for seats and fences, and in the children's adventure playground.

YOUR SPACE
**YOUR
TIME**

Luxury really counts when it comes to the bathroom. These are designed to make the most of me-time, with a specification including premium fittings, quality materials and a choice of the Nature or Urban palette.

YOUR CHOICE

...

The interiors, which are inspired by the local history of Kidbrooke Village, also take in elements of the former industrial waterside, with earthy tones and botanical detailing. There's even a choice of two colour palettes – Nature and Urban – evoking the unique landscape, part natural and part man-made, that defines Kidbrooke Village.

NATURE PALETTE

...

The 'Nature' palette is warmly wood-toned, with kitchen wall cabinets and shelving in truffle oak effect, counterbalanced by sand coloured cabinets. Accents of walnut and soft sage feature in the bathroom and en-suite, while elsewhere, pebble toned, plush carpets, light coloured wood effect flooring and soft grey wardrobes, that pop with fjord green colour internally, continue the theme.

In contrast, 'Urban' has a cooler edge, emphasised by slate and alpine white kitchens with matt black details. Bathrooms and en-suites have modish black fittings, glass shower screens and black composite stone vanity tops. Rich green-grey feature paint, concrete tones, hexagon 3D tiles and matt black shelves create a sophisticated take on refined industrial design. Sumptuous carpets and wood effect flooring in deep smoky tones complete the picture.
