John German 

A perfectly located city centre first floor retirement apartment built and managed by McCarthy and Stone and suitable for the over 60's who want to downsize, give up gardening and property maintenance and spend their retirement years free to pursue their interests and hobbies amongst a community of like-minded neighbours. You can make full use of the large and comfortable communal lounge and your visiting friends and relatives can hire the guest suite for an overnight stay. The development is house managed on site and this particular apartment owns a parking space that is close to and can be seen from the property.

Beyond the securely entered communal hall and ground floor entrance, a lift or stairs will take you to the first floor and to this garden facing apartment. An entrance/reception hall of comfortable size gives access to the lounge/dining room, bedroom, shower room and a double width cupboard that houses the hot water and air circulation systems equipment together with space and plumbing for an automatic washing machine.

An excellent sized lounge/dining room has a feature fireplace, attractive decorations and access to a rear facing balcony. Leading off the lounge/dining room is a beautifully appointed high gloss white kitchen with contrasting worktops and upstand, ceiling and feature lighting, acrylic sink unit, built in oven and microwave, integrated fridge/freezer, electric hob and extractor hood.

The spacious double bedroom has a full height rear garden facing window, ample room for a suite of bedroom furniture and access to its own walk in dressing room with built in fitments.

Positioned next door to the bedroom is a modern contemporary white and chrome fitted shower room with large walk in shower and cabinet, fitted wash hand basin and low level WC together with a tiled floor and part tiled walls.

Outside, driveway parking for one car with an electric gated access.
