Agent's Comment

"Finstock is a pretty village with a thriving community set on the edge of the Cotswolds surrounded by beautiful countryside walks. There is a popular pub, and a mainline rail link in nearby Charlbury."

This truly wonderful characterful home enjoys a wealth of period features including beams, stone fireplace with inset stove, ornate fireplace in the bedroom, exposed stone walls and quarry tiled floor in the kitchen.

Presented in excellent order throughout the sitting room is filled with natural light and the fireplace creates a cosy feel, ideal for relaxing, the second reception also benefits from a fireplace and would be great as a study or dining room. The cottage style kitchen offers a wide range of units and space for dining. A feature brick arch leads through to an inner passage providing access to the bathroom and garden. The bathroom completes the ground floor picture. To the first floor there are two bedrooms, the principal double bedroom has an ensuite and built-in wardrobes.

The mature, well-tended gardens with open outlook offer a delightful space to enjoy some alfresco dining/entertaining with friends and family. A double garage is an additional attribute. Overall, an appointment to view this perfect home is essential to fully appreciate the pretty spot within the Finstock conservation area.
