Guide Price - £485,000 Freehold

- Cottage for renovation / redevelopment
- Planning for replacement
- Proposed accommodation: 4 bedroom house with annexe & garage
- Approx. 1 acre of grounds

Character cottage in need of renovation or redevelopment and with planning for its replacement with a four bedroom house together with double garaging and a self-contained annexe. All set in approximately 1 acre of gardens and grounds.

Location

The location is very convenient for accessing Truro, Treliske Hospital and the north Cornish coast and the nearest available amenities are at Shortlanesend (approximately 1½ miles distant) whilst further amenities are available in Perranporth and in Truro.

The entrance drive to the property is currently accessed from the A30, though works are underway to move this main road to the south. This will see the property accessed from a local B road, which will no doubt afford a much quieter position, though the property and much of the garden space is located away from the road.

The Property

Tanglewood Cottage comprises a two bedroom detached cottage set at the bottom of a long, private driveway with gardens and grounds extending to approximately 0.95 of an acre. The cottage is now in need of total renovation, and planning permission (PA23/04131) was granted on the 27/09/2023 for its demolition and replacement with a four bedroom dwelling together with a self-contained one bedroom annexe and a double garage.

The gardens are mature and largely enclosed by dense, tree lined boundaries, offering a great deal of privacy, and a gently sloping paddock (of approximately ½ an acre) offers a fabulous space for children to play, for animals and/or a vegetable garden.
