**Description:** 'B's Cottage', 11 Low Row is a gem. This property was sympathetically refurbished 12 years ago by the current owners, including the painstaking restoration of stone walls, fireplaces and beams. This delightful cottage is now everything you might imagine from a cosy Lakeland Cottage, it is warm and welcoming, neutrally and tastefully decorated throughout with some charming original features including deep set windows (some with window seats), latch doors and idyllic outlook to the front over the River Eea. Cottages on Low Row tend to be snapped up quickly by either the first time buyers or holiday let investors (this has previously been a successful holiday let).

The low level, uPVC stable door opens directly into the cosy and welcoming Living Room charming stone inglenook fire place which houses the wood burning stove. Deep set window with window seat and there is a useful under stairs storage cupboard and door to the Dining Kitchen. The Kitchen is generous with ample space for a small dining table and furnished with a good range of cream wall and base cabinets with electric oven, gas hob, white sink and space for washing machine and fridge freezer. The rear uPVC stable door leads to the rear patio and stone stores.

From the Living Room the stairs leads to the 2 Double Bedrooms, one to the front and one to the Rear. The main Bedroom is spacious and has a super, feature stone wall with original fire place (not in use). The Shower Room is generous with a high level, frosted uPVC window - double shower enclosure, WC with concealed cistern and wash hand basin with large vanitory storage. Airing cupboard housing the Worcester central heating boiler (replaced in 2022).

Outside is a spacious, paved patio which provides a lovely outdoor space for al-fresco dining perhaps. There is a private stone store and a further open stone store which is divided equally with next door.

**Location:** Cark-in-Cartmel is a popular and desirable village to the south of the Cartmel Peninsula, easily reached by road and rail (with the Railway Station a short walk away) and within easy driving distance of local towns and the amenities of the Lake District National Park. Cark has a popular Public House, General Store and Railway Station.

To reach the property from Grange-over-Sands either via Flookburgh or Cartmel, locate the Engine Inn in the centre of the village. Take the lane immediately to the left of the Inn. Proceed adjacent to the river and after about 150 yards B's Cottage is on the right, over the foot bridge.
