The heart of this remarkable home is the spacious, open-plan lounge-diner-kitchen. A Closer Look...

After parking up on your block-paved driveway, step into the entrance hallway and you'll immediately appreciate the attention to detail in this home, such as the solid oak doors throughout. A large space to your right, perfect for cloakroom storage, has been designed to allow you to have a lift installed should you require one. With all the structural provisions already in place, this ensures that you are able to enjoy all

floors of the home for the years to come.

Passing the internal access to the garage, which has electrical supply and can accommodate a modern-sized car, you'll find the third bedroom ahead. A versatile room with fitted storage, perfect for use as a guest bedroom or home office, with Jack and Jill access to a shower en-suite and utility room. The en-suite is sleek and modern, with fully tiled elevations, large walk-in shower, vanity basin and W.C. As with the rest of the bathrooms, there are external controls for the shower so that you can let it warm up before having to get in! Tucked behind a sliding door is the handy utility room, with chic storage units and worktop, designed to accommodate the integrated washer-dryer, with plenty of storage and a stainless-steel sink. Heading up to the first floor, which hosts the well-designed open plan kitchen-diner-lounge. With dual aspect windows, allowing natural light to flood the room, this really is the heart of the home: perfect for hosting evenings with friends, or family get-togethers. The lounge area is a great size, with a Juliet balcony with sliding glazed doors to let the gentle breeze in during summer months. On the wall is the modern touchscreen intercom system, which not only allows you to see who is arriving, but also connects you to a Chubb helpline should you require any assistance. Monitored 24 hours a day, 7 days a week, this smart panel is a great addition to the home to facilitate independent living.

Moving through the dining area, which comfortably accommodates a large dining table, the modern kitchen is to the rear of the property and is perfectly equipped with everything you need! Gloss dove grey base and wall units provide plenty of storage, while the integrated Neff 'Slide and Hide' oven, combi-microwave, induction hob, fridge-freezer and dishwasher will make dinner time a delight. Sliding patio doors lead to your rear garden – perfect for al-fresco dining during warmer months!

Off to Bed...

Upstairs there are a further two spacious bedrooms, and two bathrooms, as well as access to the loft via a hatch. The master bedroom is a serene retreat, with ample space for a king-size bed, fitted mirrored wardrobes, and a large en-suite. As the provisions for the lift would allow wheelchair access to the master bedroom, the solid oak door to the en-suite is also wide enough to accommodate wheelchair access. With part tiled elevations in a chic light grey, shower-over-bathtub, W.C., vanity basin, heated towel rail and mirrored cabinet with shaver and USB sockets, this en-suite is the perfect place to relax at the end of the day.

The second bedroom is also a brilliant size, with plenty of natural light and views towards the Last Drop. The Jack and Jill shower room has access from the hallway, and from bedroom two, and benefits from all of the high specifications as the other bathrooms; a large walk-in shower with a rainfall and adjustable showerhead, W.C., vanity basin and heated towel rail.

The exceptional build quality you've come to expect from Jones Homes means that not only will this stunning new home look great but will offer all the comfort and security you need. High specification, low maintenance homes with your lifestyle, security and independence in mind makes Sanctuary Last Drop Village a very special place to call home.
