Flanked on one side by The Lawn with a Victorian band stand, the town retains its quintessential charm of a bygone era. The Strand, the hub of the town, has been redesigned and landscaped in recent years to create a bustling, market-town atmosphere. The town offers a wide range of facilities and amenities including well regarded schools, health centre, leisure centre, library, bowling greens, churches of various denominations, restaurants, pubs, a diverse range of shops and cafes, and a Sainsbury's supermarket on the edge of town.

According to the Köppen climate classification, Dawlish has a mild oceanic climate, bordering on a warm to cool Mediterranean climate and is one of the sunniest places in the UK!
