Description

As you know, it's all about the position, and we think this Park Home is hard to beat. Set back from the road and on a lovely corner plot next to woodland, this is a home that should bring you lots of enjoyment, especially if you are a keen bird watcher. Parking is available for one car; the driveway leads to the front door, which has a handy lift for those who are less mobile.

A useful utility is ideal for slipping off shoes and hanging coats, and has plumbing for a washing machine as well as space for a fridge freezer. An archway leads you to the very well-fitted kitchen with anti-slip flooring. Cream shaker style units with under unit lighting and attractive tiled splashbacks have pan drawers, an integrated gas hob, double electric oven, and dishwasher.

A light, bright, spacious L-shaped sitting/ dining room has a triple aspect, enjoying the sun from morning till night; the front windows are fitted with awnings to provide shade, and the side window has a continental shutter. There is a front porch into the sitting room which would make a handy study as an alternative use if desired.

Both the well-proportioned bedrooms have wall-to-wall wardrobes with shelving and drawers fitted, and they share the adapted shower room which is fitted with a crisp white suite with marble-effect wipe-down panels for ease of cleaning and anti-slip flooring. Outside, the garden wraps around with areas of lawn and a patio for the evening sun and a useful storage shed.

Offered with vacant possession, you could enjoy living here in no time. Please have a look at our video tour to see all that is on offer.
