La Petite Varine Old Brickfield Lane

Surrounded by fields, the house enjoys a selection of natural wildlife as neighbours including woodpeckers, wood pigeons, hedgehogs and squirrels. The ground floor flows beautifully and features a lovely open plan living / dining room leading to a stunning 23 foot kitchen, with amazing views, and an integral lift to the double garage below. Also on this level are a utility room and cloakroom. Upstairs are four double bedrooms and two bathrooms - one ensuite.

The cottage is a proper house in its own right comprising living room, separate fully fitted kitchen, cloakroom, three double bedrooms - one ensuite - and house bathroom. This unit is ideal for family members, carers or as a source of income. The property also has a magnificent games room, workshop and double garage at lower ground level.

The raised, secluded position means you will enjoy enormous privacy, whilst marvelling at the impressive vista from most rooms all the way to the Minquiers. The south coast is a short drive, as are Waitrose, Iceland and Morrisons food stores. This house has it all! Call the owner's sole agent to view now.
