La Hougue La Grande Route De St. Pierre

St. Peter, Jersey

Inside, reception rooms are of large proportions with high ceilings and original decorative coving and ceiling roses. The huge family kitchen is a wonderful and social place which also provides a glazed link to an oak panelled games room.

At first floor level are 4 generous bedroom suites while the second floor is currently set up as an integral flat although could provide 2 further bedroom suites. In addition to the already spacious accommodation are two completely self contained flats to the rear. Both can be occupied by staff, family or friends or rented. With their own access, one is a one bedroom and the other a two bedroom.

Linked to the house by a long corridor is a beautiful indoor pool complex featuring a poolside bar with fridges and ice maker, and his and hers changing rooms. There is also a spa pool.

Located in the rural parish of St Peter adjacent to the Val de La Mare reservoir with it's beautiful walks. The airport is around 10 minutes away and a large selection of shops and supermarkets are just a few minutes away in St Peters Village.

Unusually, the property is held in a clean company, which could be transferred if required thus keeping details from the public domain.

Truly an exquisite property in every way, book your viewing today by calling Nigel Hurst on 07797 718233.
