PROPERTIES

Creating Signature Developments

About the Developer

FW Properties is a distinguished property developer based in Norwich, specialising in crafting exceptional contemporary properties in Norfolk and Suffolk. Founded in 2011 by Ian Fox and Julian Wells, they take pride in completing every home with finesse and flair to rigorous standards. With a combined experience of over 45 years in national and international property development, asset management, and investment, they oversee every aspect of the development process.

What sets FW Properties apart is their customer-centric approach. They understand that each client is unique, and thus, they start each new project from scratch, avoiding standardised templates. They carefully select architects who are best suited for the job, ensuring that every new home is custom-designed to accommodate modern living, boasting luxurious construction values and impeccable finishes.

Their commitment to responsible development and renovation is evident in their efforts to seamlessly integrate their developments with the local environment. Whether it's overlooking the River Deben in Woodbridge, nestled in Norwich's historic heart, or tucked away in the Norfolk countryside, they aim to maintain the integrity and character of each location.

ALL THE REASONS

Norwich

IS THE PLACE TO CALL HOME

This ancient city has been home to writers, radicals and fiercely independent spirits for over a thousand years, and today continues in its legacy as an enclave of

culture and creativity. Its perfectly preserved medieval streets are home to a thriving community of small businesses, a vibrant food scene and an established arts culture. It is also a gateway to a county that continues to inspire people with its unspoilt landscapes, open spaces and big skies.

Named as one of the best places to live in 2021, Norwich lies approximately 20 miles from the coast at the confluence of the River Yare and the River Wensum, the latter still bending its way through the heart of the city. In the 11th Century, Norwich was the second largest city in the country, and today is still the UK's most complete medieval city. Strolling through the historic cobbled streets of Elm Hill, whatever the season, the Tudor architecture retains its character and beauty. Laced with merchant's houses, thatching, individual homes, speciality shops and small cafes, you'll be led toward the 1,000-year-old Norwich Cathedral.

To the west of the city the University of East Anglia is a remarkable example of brutalist architecture, and the campus is also home to the Sainsbury centre, a permanent collection of modern and ethnographic art, gifted by the Sainsbury family.

Property types in Norwich are incredibly diverse, from city-centre Victorian properties, converted mills and barns, townhouses and luxury new-builds. Central to the city, Newmarket Road is noted for its selection of grand houses, and the 'Golden Triangle' neighbourhood is a favourite with families. There is also an array of beautiful rural villages within a short drive, notably Stoke Holy Cross to the south, Surlingham to the east, or Bawburgh to the west, where larger rural properties and small estates are often brought to market.

When the bright lights call, trains to Liverpool Street take just 90 minutes, and the city's airport flies to a number of UK destinations, as well as direct to Amsterdam.

This is a city that reveals itself the longer you stay - a city to fall in love with - a city to be a part of.

Note from Sowerbys

“A private retreat in the city means that you can enjoy the best of Norwich as and when you please.”
