DESCRIPTION

We are excited to offer this amazingly well kept 70 foot vessel presented in superb condition with so much attention to detail throughout, continuing to be very well looked after and maintained.

The vessel has had a couple of owners since being built and in 2022 had an extensive, no cost spared refurbishment at Dennetts boatyard on the Thames at Laleham.

The main saloon has a multitude of windows and orangery style roof allowing ample light into this well proportioned space. There is a cast iron solid fuel burner in prime position able to heat very efficiently this entire vessel if needed. Accessed from the saloon taking in the bow is an additional and useful seating area with built in benching (canvas covered drop down-side panels during inclement weather)

From the saloon there are access steps and doors to each side of the vessel.

The interior has been meticulously maintained, with highly varnished beams and side panels.

The two double berths have been finished with highly varnished Mahogany furniture, wardrobes, shelving and storage space below the beds.

The galley is a good sized space, well fitted and numerous storage base and eye level units and built in appliances.

There is a tiled shower room with newly installed electric toilet together with basin in tiled vanity unit.

Built in smart TVs are in most rooms.

New slim line electric heating panels help to keep the interior of this vessel cosy.

The cockpit combines practicality with functionality having an amazing teak folding table for six keeping the pilot company whilst the vessel is under power.
