The spacious living/dining room has dual aspect windows, a fireplace with a wood-burning stove that makes a wonderful feature and focal point for the room, a dining area, perfect for a dinner party or family celebration and a study area with an integrated corner desk, an abundance of bookshelves and patio doors leading out into a conservatory.

In the East wing, there is a spacious second kitchen/dining room with a door to the garden, a range cooker, a double-oven, induction hob, an alcove for an upright fridge/freezer, space with plumbing for a dishwasher, and plenty of room for a dining table and seating, perfect for any occasion. A fabulous living room with a study area that has a built-in desk and shelving and a fireplace with a wood-burning stove makes the room feel cosy despite its generous size. Completing the ground floor is another fabulous conservatory with wonderful views and garden access.
