Eildon Cottage, Longformacus, TD11 3PB

LOCATION:

Longformacus is a small village in the Scottish Borders, nestled in the Lammermuirs on the Southern Upland Way. Longformacus is located approx. 6 miles from Duns, where there is a good selection of services and amenities. The village is known for its picturesque rural setting and historic charm, offering visitors a glimpse into traditional Scottish countryside life. The village is surrounded by scenic landscapes, making it a peaceful destination for those seeking a quiet retreat.

DESCRIPTION:

Eildon Cottage is an expansive 5-bedroom cottage that sits in its own grounds which extend to approx. 1/2 acre, offering a great deal of privacy. This traditional cottage has been sympathetically extended to a large family home, with the flexible layout creating an option for a granny annexe. The property, in years gone by, has served as a Post Office and Post Master's house, a bed & breakfast, and a tearoom. Currently a family home, the property offers great potential for a business opportunity (subject to relevant permissions), as it is ideally located on the popular Southern Upland Way. Viewing is highly recommended to appreciate the potential and space this property has to offer.

EXTERNALLY:

The property is set back from the road in an elevated position within its own grounds. To the front, there is a gated drive with block-paved parking and a pedestrian gate. The front garden is mainly laid to lawn with a retaining wall and hedge giving maximum privacy from the road. The rear garden is on an incline with a patio area directly accessible from the living room. The garden is already showing signs of the change in seasons and will soon flourish in its annual summertime bloom. The present owners purchased additional garden ground which is mainly laid to grass, making it a great addition for children, pets, or even a promising market garden.

SERVICES:

Mains Electric, Water & Drainage. Oil Fired Central Heating. 2 Multi-fuel Stoves.
