Everything you want is on hand

The village of Latchingdon might be small but it boasts a pub, church, village store, post office, school, community centre, playing field, bowls club and takeaway restaurant.

Latchingdon is located on the Dengie Peninsular where you'll find a wonderful choice of walks through the fields and along the coastal paths of the Nature Reserve. The Blackwater Estuary is waiting to be explored and the River Crouch is also full of great places to discover.

Perched next to the Blackwater River, Maldon is your nearest main town. It goes back centuries and a walk along its historic High Street opens up a world of fashion boutiques, tea shops and even a micro-brewery. Maldon offers a choice of supermarkets, including an Aldi, Lidl, Morrisons and M&S Simply Food.

It's a fun place too. You can take a boat trip, enjoy the park, visit the zoo or journey back through time at one of the three local museums. And don't miss the Annual Mud Race. Even if you don't fancy taking part in the event itself there's a whole day of entertainment attached.

You're connected

With so many places to enjoy

From Latchington it's easy to get to everywhere that matters. North Fambridge and Althorne Stations are both handy, with regular trains to London Liverpool Street, Stratford and Southend.

There are also excellent bus services. The journey to Maldon takes little more than ten minutes and continues all the way to Chelmsford, where you will find a cinema, restaurants, live theatre, music venues and all the facilities of a major town.

By road, it's easy to connect with the A12 – one of the main roads into Central London and out to the towns and countryside of East Anglia. The A12 also provides a convenient link with the M25 and the national motorway network. From Latchington, you can go anywhere.

Yet maybe the best form of transport when you live at Carter Meadows is to take a Brunch Cruise aboard one of the vintage barges that depart from Malden Quay, enjoying the quiet beauty of the River Blackwater.

Shared Ownership Explained

Your essential guide to all things Shared Ownership with Legal & General

Shared Ownership could be your step onto the property ladder. This home ownership scheme allows you to buy a share in your home and rent the remaining share. Over time, you can buy more shares in your home until you own the full 100%.

How does Shared Ownership work?

The Shared Ownership scheme is simple, you buy an initial share of between 40% and 75% (depending on the development) of the home's full value and pay a subsidised rent on the remainder. You may purchase further shares (up to 100%) as your circumstances change.

Your annual rent is charged at 2.75% of the residual value of your home, which is reviewed annually each April. This is capped at RPI (Retail Price Index) from September of the previous year + 0.5%.

Am I eligible for Shared Ownership?

If you earn or have a household income up to a maximum of £80,000 (or £90,000 in London) per annum, you could be eligible. You can also use Shared Ownership to buy alone or with another person as long as your joint incomes don't exceed the maximum earnings bracket.

Some developments have eligibility or prioritisation requirements around where you live and/or work. Please speak to our Sales Consultant for further information.

What other charges will be payable?

Your home will be subject to a management fee - this is a fee payable monthly to cover the administrative costs of Legal & General Affordable Homes and our Management Provider. You will also be charged for the

Buildings Insurance required to cover your home. Finally, all homes pay an Estate Charge which contributes to the maintenance of the wider estate, play areas or unadopted roads etc.

Can I buy additional shares in the property?

Yes you can. This is known as 'staircasing'. You can staircase in annual 1% increments during the first 15 years of your lease, this is calculated based on the initial purchase price adjusted in line with HPI (House Price Index), or you can staircase in larger proportions (over 5%) with a RICS valuation. You can staircase to 100% ownership.

Is it cheaper than renting?

Shared Ownership can be cheaper than renting privately as the mortgage cost and low rent usually add up to less than the equivalent rental payments to a landlord.

What if I already have a home?

If you already own a property you would need to have confirmed the sale of your home when you apply to buy via Shared Ownership.

Your application would be assessed based on your housing need for you to be considered for Shared Ownership.

Will I need a deposit?

Yes you still need a deposit, but only on the percentage of the property you are buying. Mortgage deposits are typically 5% or 10% of the share value.

Buying more shares

STAIRCASE YOUR WAY TO OWNING 100%

When you buy more shares in your home, your home is re-valued and you buy the shares at the current market value, at the time you are buying the shares. You can staircase up to **100% ownership**.

A step by step guide to owning your own home

Find a Legal & General Shared Ownership property you'd like to buy and follow our step by step guide to turn your home-buying dreams into reality.

People come first. It's been the Legal & General way for almost 200 years.

Legal & General began in a coffee house on London's Chancery Lane back in 1836. Almost 200 years later we are investing in new homes for all ages, social groups and housing tenures.

The shortage of housing in the UK, and high deposits required to buy a property outright, mean many people can't afford a new home. Our mission is to better people's lives by offering opportunities to those who need a helping hand. Whether it's a first-time buyer, young couple or growing family, it's important that everyone has a safe and secure space to call their own.

Our mission is to become the leading private affordable housing provider in the UK and to make a positive difference to the affordable housing sector. As a company, we have never stopped moving forward, but our position of being a byword for reliability, integrity and trust, is one we will never move from. That's why our key principles underpin everything we do:

Quality We aim to bring you the best possible experience in every aspect of your new home. That's in location, design, finishes, environment and, above all, value.

Customer Service We're committed to providing first-class customer service, from the moment you arrive to when you open the door of your new home.

Sustainability We work to minimise the environmental impact of what we do. That means reducing carbon emissions, using renewable materials and following sustainable design and building processes.
