NORTH TAWTON is a small town, built alongside the banks of 'The River Taw'. Settlements in and around the 'Taw Valley' experience a haven-like quality, between the often steep-edged hillsides – a contrast to other areas of more open farmland. The town has a selection of shops, a primary school, The Fountain and The White Hart pubs and an undeniably pretty square. For more choice, by way of facilities the larger town of Okehampton is only 5 miles up the road – where access to the A30 dual carriageway (a link to the City of Exeter) can also be found. North Tawton, as with many Devon towns has a prime medieval church, with a west spire adorned with oak shingles. The town is also known for its superb creamery. The Taw Valley Creamery (est 1974) produces award -winning cheeses, revered locally and nationally.

DIRECTIONS

From the centre of North Tawton, turn into Exeter Street and carry on this road. After approximately 200m, number 31 will be found on the left, just before the primary school.
