## La Muraille, Le Clos De Bauche, Beaumont

Two generation living at its best!

Situated in an elevated position with sweeping south facing views to St Aubins Bay, this property - built in 1964 - has plenty of room for a busy family. The main house has two reception rooms, both leading to a sunny south facing terrace.

There is plenty of room to entertain in the fully fitted kitchen, and the three double bedrooms are all generous sizes. A good size office means you can keep the paperwork out of the kitchen, and a second south facing terrace with doors from two of the bedrooms is a great place to take in the evening sun.

The annex - on two levels - can be accessed from the house or through its own entrance to the front. Approved for occupancy by non qualified residents, the accommodation is capacious and includes a large storage area. Situated in a sought after private close, the house is in a central location close to the beach, shops and gastropubs on the south coast. A main bus route stops nearby.

An exciting opportunity exists to convert the large loft space into two or three further rooms, making the most of the sweeping views of St Aubin's Bay. Call the vendor's sole agent now to view.
