A well-presented two-bedroom first floor apartment set within a converted late 19th century Victorian townhouse in the very popular 'Old Village Area' of Tunbridge Wells, being particularly convenient for access to the mainline station and Old High Street with its selection of independent retailers, cafes, restaurants, and bars.

The beautiful period features include, circa 9ft 6" ceiling height, canted bay window with original sash windows, picture railing, cornice and circa 10" skirting board.

The property also benefits from an EPC rating of C supported by a new gas fired boiler installed circa July 2023, still under warranty.

Ideal for investors, first time buyers, city goers and downsizers alike. Early viewings are recommended.

BEDROOM 2:

Again, housing period features and original east facing sash windows, the street facing second bedroom is ideal for a double bed or an incredible office space.

BATHROOM:

The perfectly functional and nicely proportioned bathroom is in great condition, but any new owner would find an opportunity to modernise. Currently it houses a large walk-in shower, gas fired towel rail, low level WC and pedestal wash hand basin with mixer tap over. A large portion of the bathroom is tiled with vinyl flooring also. The stopcock is also in the bathroom.

KITCHEN:

The kitchen which is located at the end of the hallway down a few steps, offers IKEA extended depth storage units with laminate work tops, top mount Stainless steel sink with drainer, space for fridge and washing machine and an electric hob and oven with recirculating system fan above. Vinyl floor and tiled splash back, westerly facing sash window. The new wall mounted gas fired boiler is also housed in the kitchen. Again, perfectly functional, and well cared for kitchen, though the new homeowner may find opportunity to modernise and add their own stamp.
