No 16 is arranged with a living room and modern kitchen on the ground floor, with 2 bedrooms and a bathroom on the first floor. Access is available via a loft hatch to a large roof space. A level rear garden provides a patio and lawn with a garden shed. No 18 is arranged as offices with a combination of two-storey at the front of the property and single story to the rear. The accommodation is laid out in a number of separate offices together with kitchen, toilet facilities and a large loft.

Location

The property is prominently located on St John's Road, Penn in an almost entirely residential setting. High Wycombe town centre is 4 miles away and easy access is available to the A40 and M40. There are excellent rail services available from Beaconsfield and High Wycombe, with a fastest journey time to London Marylebone of under 25 minutes.

Tenancy

The offices are occupied at a current rent of £40,000 per annum exclusive. The lease has a mutual break in November 2025 with 6 months notice required by either party. A copy of the lease is available on request. The two-bedroom house is currently vacant and ready to let if required.

Planning

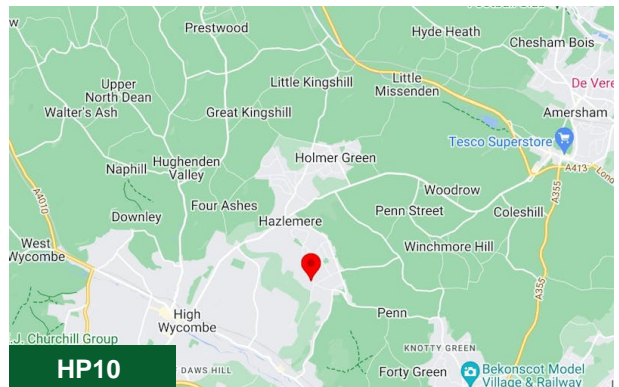

Prior approval has previously been obtained to convert No 18 to residential use, with a combination of one and two-bedroom apartments. The opportunity arises to undertake a comprehensive redevelopment of the site, subject to planning.

Offers

Offers are sought in excess of £1.25 million, on an unconditional basis ideally. Offer subject to planning will be considered. As mentioned, the opportunity arises to undertake a comprehensive redevelopment of the entire site, or selective extensions, or simple refurbishment. The opportunity also arises to maintain the current mix of uses and simply create an investment.
