## ABOUT THE STRUGGLE...

A brilliant opportunity to acquire an equestrian residence set within 2.7 acres (sts). Requiring renovations throughout, the property offers versatile living accommodation with 4 bedrooms including an annex wing extension, 2 bathrooms, 3 reception rooms and double garage to side.

Externally the extensive facilities include 16 stables, tack room, hay stores, Dutch barn, horse walker and 60mx25m manege with grass paddock. The property is ideally situated on a quiet lane with excellent hacking out routes and only a short distance to Lincolnshire's sandy beaches.

### The Property

A large, detached bungalow believed to date back to 1976 with the later right hand wing added around 2006. The property has brick-faced cavity wall construction with pitched timber roof structures covered with tiles, with white uPVC guttering and fully uPVC double-glazed windows and doors. The property has an oil-fired central heating system by way of a Firebird Combi 120 and we are advised that the heating system is not working and is requiring service. The property is currently set up as a three-bedroom bungalow with annexe wing to one end and lends itself to multi-generation living. The property has great potential, requiring full modernisation and renovation to both the bungalow and outbuildings. The Struggle would make a superb equestrian facility with 16 stables, 2 large hay stores, Dutch barn, horse walker and 60m x 25m manege adjacent grass paddock set in 2.7 acres (subject to survey).

The property stands in the rural village of Saltfleetby. The Kenwick Park Leisure and Equestrian Centre is on the Louth outskirts. Just a short distance to the east of Saltfleetby is the popular coastline and at the nearest point this has direct access to miles of nature reserve and walks along the sand dunes. Several miles to the north are Cleethorpes and Grimsby while further south the coast reverts to long sandy beaches stretching for miles past resorts and villages leading eventually to Skegness and Gibraltar Point.
