PROPERTY DESCRIPTION

Oyster Quay is an impressive development of apartments within Port Solent Marina. The development is approached via a private parking area, where you will find a well-maintained communal entrance area with stairs/lift to all floors, access via an electronic security key or intercom. The development benefits from a residents' private gym, heated swimming pool, jacuzzi and sauna for the exclusive use of residents. The communal garden area is very pretty with two ponds, a little bridge with water flowing under and an area that can be hired for private functions.

The apartment is on the second floor. Once inside, the T shaped hallway offers a cloakroom with WC/hand basin and a handy store cupboard. The modern kitchen is fully equipped with the usual appliances and shaker style units, benefitting from a serving hatch so you can enjoy sociable evenings entertaining guests in the dining area, whilst you cook away. The lounge is flooded with natural light, your eye will be drawn immediately to the southerly facing balcony. This is the perfect place to unwind after work, enjoying the sunshine until the early evening. Both bedrooms are doubles and have great views facing into the marina and benefit from modernised ensuite bathrooms, two unique selling points.

There is an option for the furniture for this property to be included in the sale.
