We've been building beautiful homes for more than 85 years.

And throughout that time the work of our family-owned company has always been underpinned by strong values, understanding, and a commitment to being a developer with a difference.

You'll see this in everything from our unique sale packages and upgrades to the fine details we add to make each house a home.

But most of all, you'll see it in our service. Having spent all these years really getting to know our customers, we know it's important that we do everything we can to make finding your new home easier. All of this makes up our William Davis Difference. From start to finish, when you buy from William Davis you can always expect to find the highest standards, stay well informed, and be treated with consideration. That's why, in the annual Home Builders Federation survey, we've been rated a five-star developer five years in a row.

In this brochure you'll find out more about the way we work and what we do, and discover that a William Davis home offers comfort, craftsmanship, and security – from our family, to yours.

Property Details

Inside and out, each William Davis property is perfectly designed to make you feel at home.

At William Davis we take pride in the little details that make our homes special, whether that's the appliances we install in your kitchen or the tiling we use in your bathroom.

At Buttercup Fields our homes range in size and design, and the details will slightly differ depending on the type of home you choose.

Property-specific features

Some details will be a little different from home to home. If you'd like your new home to have an en-suite or utility room, or you've always dreamt of a fully fitted kitchen with an integral freezer, dishwasher, and microwave, we have something for you at Buttercup Fields.

Upgrades and options

Make the most of our options and upgrades to really personalise your new home. Depending on the build stage, you might be able to upgrade your kitchen with different units and worktops in a choice of traditional and contemporary styles, or even introduce added luxury with a fully tiled bathroom.

If you'd like to know more about our optional upgrades, or see the specifications for particular properties, just get in touch with our sales team.

Your Home

Buying a new house – whether it's your first or your third – is a big commitment, and you need to feel that you're making the right decision.

With our brilliant customer care, NHBC accreditation and work with the Home Builders Federation, you can rest assured that a William Davis home is a home for life.

NHBC

NHBC is an independent, non-profit organisation designed to improve the quality of British homes by setting and monitoring house building standards, and William Davis is an approved NHBC Registered Builder. Being one of NHBC's Registered Builders doesn't just mean that we follow their house building standards; an NHBC expert inspects every one of our homes during key stages of the build, ensuring your home is finished to the very highest quality.

Then, when you move into a William Davis home it is immediately protected by NHBC Buildmark, a 10-year warranty and insurance policy that begins as soon as you exchange contracts. For the first two years your home is covered by our initial warranty, which means that if you have any problems with your home we'll sort things out. After the builder warranty has ended, your home will continue to be protected by our insurance cover until 10 years after completion.

A five-star house builder

Every year, the NHBC runs a new home satisfaction survey on behalf of the Home Builders Federation, the UK's main representative body for the house building industry.

The national survey polls owners of new homes on everything from the buying and handover process to the design and layout of their property. They're also asked whether they'd recommend their builder to friends.

For five years running, more than 90% of our surveyed homeowners have said they would recommend us to a friend, leading to William Davis receiving the maximum five-star rating five times in a row.

Customer care

Having spent all these years working closely with our customers, we know it's important that we do everything we can to make finding your new home easier.

Brilliant customer service is central to everything we do. Whether you need advice on your buying options or want to know more about the local area, we're only a phone call away. And the experience doesn't end when you step through your new front door. Our after sales care is second to none, and even includes a 24-hour callout and repair service for new homeowners; so, if you need urgent help, we'll always be there.
