Kean Street, Covent Garden WC2

Overview

This elegant loft apartment is situated on the third floor of 9 Kean Street, a popular warehouse conversion originally developed in the early 2000's on a quiet street in Covent Garden.

Fantastic lateral space offers flexible accommodation, originally designed as a two-bedroom apartment but now arranged primarily as open plan living space with one large bedroom suite and a private balcony.

Generous ceiling heights and full height full width windows create a sense of space and volume, with a modern and fully bespoke specification plus the benefit of a private balcony overlooking the rear.

Kean Street is a quiet spot just off the south end of Drury Lane behind design emporium the Aram Store, affording easy access to the bustle and life of Covent Garden, or just a few minutes to the east, the tranquility and open space of Lincoln's Inn Fields, one of central London's largest garden squares.

Covent Garden residents have access to some of the capital's finest restaurants and retailers, not to mention world class cultural attractions in the form of the Royal Opera House and numerous theatres, museums and galleries.

Educational powerhouses The London School of Economics, King's College and University of London all have major campuses nearby, making the neighbourhood an ideal home for culture vultures and students alike.

Nearby Holborn is a bustling area that effortlessly combines heritage and culture, history and modernity. An eclectic mix of modern office buildings and elegant Georgian architecture with the imposing Gothic-style Royal Courts of Justice at the centre of the City's legal district, and the Sir John Soane's Museum a hidden gem for art & architecture enthusiasts.

Both Holborn & Covent Garden tube stations are only a few minutes walk away, as well as riverboat services from Embankment Pier that can be found just south of The Strand.

People Make Places

London is collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
