Your home, your haven

Following the incredible success of Gilchrist Gardens, phase 2 will introduce an exciting range of homes consisting of 3 and 4-bedroom terraced, and 4 and 5-bedroom detached properties. As part of our celebrated Light & Space collection, all will provide the premium surroundings you've longed for.

In search of space both inside and out? A blend of open green areas within the development and secluded woodland to the southwest offer places to socialise, relax, exercise and explore just a few steps from home.

Life at your pace

Whether taking advantage of the sports and fitness facilities at Erskine Community Sports Centre, enjoying a round at Erskine Golf Club or relaxing at nearby Mar Hall Golf & Spa Resort, enjoy life to the fullest at Gilchrist Gardens.

On the edge of the River Clyde, Boden Boo is an attractive 2-mile woodland trail for walkers, cyclists and dog walkers. It's also part of the 40-mile-long Clyde Walkway stretching from Glasgow's west end to New Lanark Heritage Site.

Castle Semple Country Park has a range of watersports, walks, wildlife and woodlands.

Handy footpath links throughout the development make light work of exploring Gilchrist Gardens and beyond.

All within easy reach

Whether socialising, shopping or sightseeing, Gilchrist Gardens is perfectly placed to make the very most of your free time.

With supermarkets, restaurants, doctors' surgery, dentist and library, everyday services and essentials can be found at Bridgewater Shopping Centre. For a further range of shops and amenities, Glasgow city centre is less than 15 miles away. Connecting Renfrewshire with West Dunbartonshire, Erskine Bridge provides a fast and easy passage to the more relaxed surroundings of Loch Lomond & The Trossachs National Park, and the Clyde coast.

Go Glasgow

Whether visiting or commuting, easy access to Glasgow via the M8 motorway makes travelling to the city centre a breeze. With its wealth of shops and shopping centres, high end restaurants and family friendly eateries, galleries, cinemas and theatres, each visit can have its own unique flavour.

Take time to appreciate the city's abundance of breath-taking architecture, or step inside The Burrell Collection, Kelvingrove Art Gallery and Museum or Riverside Museum to discover just some of its spectacular treasures.

Glasgow offers a wealth of outdoor space, all with quite distinct settings and offerings. For weekend family walks, Pollok Country Park, Kelvingrove Park and The Botanic Gardens are always firm family favourites.

Class act

For younger children, both Rashilea and St Annes are within a short distance of the development.

With up to 1,400 students, Park Mains High School is not only the largest secondary education establishment in Renfrewshire but is also one of the largest in Scotland*. Alternatively, the town falls within the catchment area of the RC Trinity High School in nearby Renfrew.

*Owning a home in a school's catchment does not guarantee a place at the school. Please consult the local authority for more details.

What our customers say

“ *It’s been such a positive experience. We’ve come from a much older, established property with big rooms, big windows and lots of space. We were apprehensive about moving into a modern house but it’s been so positive.* ”

A recent purchaser at Florence Gardens

“ *I am absolutely delighted with my house. The quality of the house is amazing because of the appliances, worktops and tiles. There are high ceilings: my husband is tall so he is delighted that there is more space. It is a really*

well-designed house as it is nice and airy. It feels like a really luxurious space and with my house type, there is a lot of space, particularly in the master bedroom, kitchen and family area. It feels like there is a lot of space to move around. It works really well for how my family and I live. The estate is well-thought-out. It feels really safe in the way that it is set up. ”

Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer journey, which is why we are aiming for online only brochures at our developments.
