Te Whare, Le Mont Millais

St. Helier, Jersey

Te Whare is the period home renovation project you have been searching for!

Welcomed by a solid wood entrance hall and open staircase, straight out of the early 20th century, with double height foyer and stained glass, the period character features continue from room to room. Whilst in need of cosmetic updating throughout, the home has light bright rooms and generous head heights, briefly comprising 3 reception rooms, 4 bedrooms, two bathrooms, three WC and a utility, all set looking over your very own park-like gardens and grounds.

This lovely home sits on a generous garden plot of over an acre, inclusive of a mature planted garden and field with tennis court, currently green zone but with potential to be rezoned subject to island plan, and featuring a splendid easterly outlook over green fields.

Your own haven right in the heart of the school zone, it is just minutes walk to St Helier. The key to this property is it's potential. For enquiries please make contact with Charlie on 07700 348421 Charlie@broadlandsjersey.com or James@broadlandsjersey.com
