An established detached bungalow offering huge potential to update in a sought-after residential location

The property is an established detached bungalow located along a popular road in a sought-after area of Harleston. It has a detached garage and a driveway for additional parking. The property has been adapted and offers enormous potential to update.

The front door opens to an entrance porch which leads into a spacious sitting room. To the rear is a dining room which connects with the kitchen. We have been informed by the vendor that originally the dining room was a third bedroom and there was a door from the sitting room to the kitchen. This has been blocked but could be reinstated. There is a conservatory to the rear. There are two double bedrooms and a shower room.

The rear garden is bordered by mature hedging offering seclusion. It is laid largely to lawn and with some established shrubs.
