****NO ONWARD CHAIN**** A fantastic opportunity to acquire this attractive two-bedroom Grade II listed cottage which offers plenty of potential for modernisation throughout. Situated in a conservation area within the popular village of Brockham, just moments from everything the wonderful village has to offer including The Green, doctors' surgery, shops, chemist, nursery, primary school and open countryside.

The property benefits from a wonderful blend of original period and character features which include exposed beams and traditional fireplaces, further benefitting from picturesque views across farmland and the winding River Mole.

This delightful cottage begins in the impressive 12ft front aspect living room with feature fireplace, offering plenty of space for a generous suite. Next is the dining room which offers a dedicated space for a large table to entertain friends and family. Original brick tiled flooring and range provide a nod to the property's origins and make a wonderful feature to this room. The rear aspect kitchen offers the potential for modernisation with a number of traditional base and eye level units, space for a cooker as well as additional freestanding appliances. This is a lovely bright space thanks to the large Velux window whilst also overlooking and providing access out to the garden. A door leads into the downstairs bathroom which includes a bath with handheld shower as well as a separate toilet.

From the dining room stairs rise up to the first-floor landing which in turn leads to two good sized double bedrooms, with the master enjoying floor to ceiling built-in wardrobes and wonderful views. A bonus attic room occupies the second floor, accessed via the second bedroom and enjoys far reaching views towards both Boxhill and Brockham village.

Outside

Towards the front of the property, there is a paved courtyard area to position a bistro table and chairs. The rear garden is mostly laid to lawn, edged with timber fencing and mature trees for added privacy. There is also a useful side access gate.
