SITUATED in a prestigious private road within walking distance of Bookham Station and about 3/4 of a mile from Bookham Village. There is an abundance of beautiful countryside nearby including Bookham Common which is looked after by the National Trust and provides acres of mature woodland with many miles of bridleways and public footpaths. The property has been extensively updated and modernised and offers beautifully presented accommodation to include two newly fitted bathroom suites and kitchen/breakfast/dining room with stone work surfaces and built in appliances. The property benefits further from gas central heating to radiators, sealed unit double glazed windows and doors, recessed ceiling lights, coving, oak veneered internal doors and double aspect lounge with attractive stone fireplace. There is still further potential to enlarge, if desired, subject to the usual planning consents, either by converting the loft or extending over the double garage which was previously granted by Mole Valley District Council in 2009. In our opinion this is an excellent opportunity to acquire an individual detached house situated in a prime area and viewing is highly recommended.
