STEP INSIDE:

Entering in through a private front door to the side of the property, there is a good sized entrance hallway with stairs rising to the first floor and a large understairs cupboard. There is a downstairs bathroom with a corner bath, vanity unit basin, WC and a ladder radiator. A few steps lead down into a large living room which has a stone feature fire surround and mantle to give a focal point to the room. Two large windows face the front and bring in lots of natural light. From here you enter into the kitchen which is fitted with floor & wall cupboards, a built in electric oven with gas hob and extractor hood over. Spaces for under counter appliances and a freestanding fridge/freezer. First floor landing has a Velux sky light window which allows natural light to brighten the stairway and landing. A cupboard houses the wall mounted gas boiler and with adding slatted shelving would work well as an airing cupboard. The shower room has a shower cubicle with a mira electric shower, a WC and basin.

Three double bedrooms all facing front and the large main bedroom has a small loft hatch for access to the attic space. This property would benefit from modernisation and some love, it has the potential to be a lovely home with lots of character.
