## Discover peaceful Sageston

*Welcome to The Cornfields; a development of 2 bed bungalows, and 2, 3 and 4 bed houses.*

Situated in the peaceful and picturesque village of Sageston, on the doorstep of the coastal National Park, The Cornfields offers an enviable opportunity to enjoy the Pembrokeshire countryside whilst being only minutes away from some of the most popular resort centres in the county. Positioned almost equidistant from the popular seaside resort of Tenby and the historic county town of Pembroke, The Cornfields benefits from excellent transport links, ensuring easy access to the Pembrokeshire coastline and its abundance of beautiful sandy beaches.

Sageston village sits just off the A477 which provides access to the M4 in around 50 mins.

Sageston, and nearby Milton, offer a range of local amenities. A stone's throw from the development is The Plough Inn, a popular village pub with a range of dining options. Further dining options can be found just over a mile away in Milton; the Milton Brewery Inn offers a menu which allows you to indulge in freshly made stone baked pizza, craft beers and specialist coffees. Milton also boasts a village store and a highly recommended fish and chip shop.

The Cornfields sits just a short walk from the neighbouring village of Carew. Known best for the magnificent Carew Castle and Tidal Mill, Carew also boasts the Carew Inn, a village pub with beautiful views of the castle. One of the many options for fine dining nearby can be found at Coast; situated on the edge of the Coppet Hall shoreline, this award-winning restaurant serves up a range of menus using locally sourced Pembrokeshire produce.

## Explore the area surrounding Sageston

*A tranquil setting in the very heart of Pembrokeshire.*

The nearest large town is Pembroke, best known as the birthplace of King Henry VII, who was born in the impressive Pembroke Castle, tours around which can still be enjoyed today. In addition to its historic attraction, Pembroke also offers a wide range of shopping and entertainment facilities. If you are looking for a fun day out, then you will be spoilt for choice at The Cornfields; the well-known seaside resort of Tenby is less than 10 mins away by car. In addition, the popular family attractions of Folly Farm, Manor Wildlife Park, Bluestone National Park Resort and Heatherton World of Adventures are all on your doorstep.

If a quieter activity is more what you had in mind, then you'll be reassured to know that The Cornfields is located next to the Pembrokeshire Coast National Park. Established in 1952, it remains the only coastal National Park in the UK. Benefitting from glorious countryside for ramblers and numerous blue flag beaches to explore, there are activities for all ages, however the park is most famous for its spectacular Pembrokeshire Coast Path National Trail, a walk which hugs the coastline for 186 miles (299km) of some of the most breath-taking coastal scenery in Britain.
