The second bedroom, also at the rear of the property, so again enjoying those views has a large walk in wardrobe providing plenty of storage space. There are a further two double bedrooms, one of which is currently used as a dressing room .

The family bathroom is modern and spacious and has been well designed and fitted to a high specification. There is a connecting door to the master bedroom.

The Garden has been well tended by the current owners and now has a large selection of shrubs and flowers. There is a patio area and stunning views over fields behind the property. As well as side access there is a door to the garage and storage room.
