Shared Ownership

Shared Ownership allows you to buy a share of the property (between 10% and 75%) and pay a monthly rent on the remaining share, which Muir own.

How it works

Because you are buying a share of the property, the deposit you need is a lot smaller.

You will typically need a deposit of just 5% of the share you are buying.

You pay a deposit and legal fees. Your mortgage is based on the size of share you buy. You will pay a monthly rent on the remaining share. A service charge will apply for buildings insurance and if there are any communal areas to maintain.

Next steps

Simply contact our team to find out more about our early bird reservations. We will discuss eligibility and the affordability assessment with you. More information can be found at:
