Situated along one of Pulborough's most popular roads, this extended three bedroom detached house has been stylishly improved and updated by the current owners and now offers family-friendly accommodation, with a home office/garden room which is perfect for working from home.

With a downstairs cloakroom / WC plus a useful utility room converted from part of the integral garage, this immaculately presented property really does have to be viewed in order to fully appreciate the quality and amount of space on offer. The welcoming hallway opens onto a lovely open plan lounge/dining/kitchen with integrated appliances, a breakfast bar and a really sociable, modern feel. Kids will love playing in the conservatory, which looks out across a lawned rear garden with decked seating under a pergola towards the bespoke home office and store. There's a further patio seating area alongside space for a climbing frame or trampoline. Upstairs is a very smart new bathroom, plus three good sized bedrooms, the largest two of which feature built in cupboards.

St Mary's C of E Primary School is about a five minute walk away, with older children catching a school bus to The Weald from just down the road. There is a large recreation ground, playpark and outdoor gym near the school, with Tesco and all local amenities also within easy reach. Commuters will love that the mainline station is only a mile away by foot, with direct routes to London and Gatwick. The beautiful South Downs are close by, providing plenty of opportunity for family time.
