SHARED OWNERSHIP EXPLAINED

AT EDGEFIELD GREEN

Shared ownership is another way to buy your home. You buy a percentage and pay rent on the rest.

WHO IS ELIGIBLE FOR SHARED OWNERSHIP?

Shared ownership is an option for lots of people. In brief:

- Your household income needs to be under £80,000
- You can't be the owner of another property
- You'll need to show you have a good credit history and can afford the regular payments and costs involved in buying a home
- You should have savings or be able to put down at least 5-10% deposit on the share of the property you're buying.

PART MORTGAGE/PART RENT, HOW DOES THAT WORK?

Shared ownership is part buy, part rent. This means you will have a mortgage on the share you own and pay rent on the remaining share. For instance, if you buy a 50% share of the property, you'll pay a mortgage on the 50% share, and rent on the remaining 50% share. Usually, you can also carry on buying shares, to own it 100%.

You'll have a lease, which is essentially the contract for the share you've bought. It means you've got the right to keep your home for the Lease Term of 990 years, but the land belongs to Your Housing Limited as illustrated on the site plan. Your lease also sets out how much you need to pay each month, and your responsibilities as a shared owner.

CAN I BUY MORE SHARES?

Shared ownership is part buy, part rent. This means you will have a mortgage on the share you own and pay rent on the remaining share. For instance, if you buy a 50% share of the property, you'll pay a mortgage on the 50% share, and rent on the remaining 50% share. Usually, you can also carry on buying shares, to own it 100%.

RENT TO BUY EXPLAINED AT EDGEFIELD GREEN

Rent to Buy is a government designed scheme which allows working households to rent a home at 20% below the open market rent (Intermediate rent) providing the opportunity to save for a deposit to go on and purchase their home in the future.

With Rent to Buy, you can live in a quality new build home at Intermediate Rent (approximately 80% of the open market rent) for a maximum of five years. During that time, you will save towards a deposit and have the option to buy your home through Shared Ownership during years one to five or outright sale at the end of the five year term.

APPLICANT ELIGIBILITY

- At the time of letting, prospective Rent to Buy tenants must be working households and intending to buy their own home in the future.
- Prospective Rent to Buy tenants must be first time buyers or returning to the market following a relationship breakdown.
- Applicants will be assessed to ensure that they're eligible for the Scheme and that they can't currently afford to buy a home on the open market.
- You can't apply if you already own another property.

ELIGIBILITY REQUIREMENTS

All applicants applying for Rent to Buy will be financially assessed and complete a Homes England Affordability Assessment and confirm their intentions to use the benefit of the five-year reduced rent period to help them save towards a mortgage deposit.

This will be monitored and assessed on a yearly basis throughout the five-year term.

To abide by the statutory requirements for renting property in the UK, all applicants over the age of 18 will be subject to the following checks:

- A Right to Rent check and fraud prevention checks to confirm that you have a legal right to rent a property in the UK. You will need to provide valid proof of your current address and photographic ID.
- An employment reference and confirmation of the monthly household income.
- Credit referencing to confirm that you have an adequate credit score to obtain a mortgage during the five-year period to purchase the property.

Please be aware that we will be unable to proceed with your application if you're subject to any Bankruptcy or County Court Judgements (CCJs) issued within the last three years.

- A reference from your current landlord or letting agency (if applicable).

AGREEMENTS, PAYMENTS AND DEPOSIT

The Tenancy Agreement

- You will be required to enter into an Assured Shorthold Tenancy Agreement, which will run on a periodic basis.
- The Tenancy Agreement will be fixed for the first 18 months but the tenant may end the tenancy at any time after 6 months from the commencement date by serving one month's written notice on the Landlord.
- The Tenancy Agreement will need to be signed by both parties before you move into your home.

You will be provided with a copy of the Tenancy Agreement during the application process to give you time to read and understand the commitment you are entering in to. Our appointed PRS Officer will be happy to answer any general questions you may have.

- The Tenancy Agreement will set out the responsibilities of both Your Housing Group as your landlord and yourself as our customer. This will include your liability for ongoing rent payments and the upkeep of the property.

It will also outline when you may need to contact us, for example, if you need to gain consent to keep pets, alter the property (including decorating) or if there is any change to the household details.

- The Tenancy Agreement is a legally binding contract between yourself and your landlord. It is important to remember that any breach of the agreement could lead to further action being taken to end the tenancy.

RENT REVIEW

Your rental charge will be reviewed on an annual basis. The rent will be increased by no more than the Consumer Price Index (CPI) + 1%. The Consumer Price Index will be taken as at September of the previous year.

TENANCY DEPOSIT

- A tenancy deposit will be payable prior to you moving into your home. The deposit will be held in a protected Tenant's Deposit Scheme and you will be provided with the details of the scheme and all relevant information by our appointed PRS Officer.
- When you move into your home, our appointed PRS Officer will arrange and undertake a full handover inspection with you, during which an inventory will be completed and photographs will be taken.
- The inventory will be relied upon should you move out of the property and a check out inspection is required. Should any damage or issues be identified, over and above general wear and tear, the costs will be deductible from the security deposit, along with any rent arrears.
- If you proceed to purchase your property, the tenancy deposit will be returned to you in full within 10 working days following completion of sale.

FAQS

Q: WHAT BENEFITS DOES THE RENT TO BUY SCHEME PROVIDE?

Rent to Buy allows you to live in a new build property at a monthly rent (approximately 80% of the market rent). This reduced monthly rent is designed to help you save for a deposit to purchase the property in the future.

Q: WHO IS RESPONSIBLE FOR MAINTENANCE AND REPAIRS TO THE PROPERTY?

Your Housing Group will provide a maintenance and repairs service under the terms of your tenancy agreement.

Q: WHAT WILL I NEED TO PAY UP FRONT?

- You will be required to pay a full month's rent plus the remaining apportionment for the current month's rent before you move in to the property. This will allow time for your account and future direct debit payments to be set up.
- Payment will need to be cleared at least 48 hours prior to you moving in to your home.

- Once a moving-in date has been set our appointed PRS Officer will advise you of the amount you need to pay and arrange to collect the payment.
- All future payments will then be collected directly by Your Housing Group via a monthly direct debit on the first of each calendar month.

Q: ONGOING COSTS?

In addition to your rent payments, you will also be responsible for all utilities costs associated with the property from the day you move in. Meter readings will be taken at the handover meeting to allow for you to set up accounts in your name. You will also be responsible for Council Tax and telephone, Wi-Fi and TV subscriptions.

Q: CAN I BUY MY HOME BEFORE THE END OF THE FIVE YEAR PERIOD?

Once you have your deposit you can buy your home through shared ownership in the first five years (subject to YHG's agreement) and at the end of the five year term you will be able to purchase your home outright.

Q: WHAT WILL HAPPEN WHEN I AM IN A POSITION TO BUY MY HOME?

Firstly, a valuation by a RICS Chartered Surveyor will be required. Your Housing Group will arrange for the valuation to be undertaken on your behalf and you will be responsible for the cost. The valuation will confirm the current open market valuation of the property. Should you proceed to buy your home, we will require an Agreement in Principle (AIP) from your mortgage lender, confirming that you're able to secure a mortgage.

Q: WHAT HAPPENS IF I CANNOT BUY MY HOME AT THE END OF THE FIVE YEAR PERIOD?

After the initial five year letting period YHG will contact you to review your current circumstances and housing options. YHG may require you to leave the property, continue to offer the property as Rent to Buy, offer to sell you the home on an outright basis - you will be given the right of first refusal; or retain and convert the home as rented housing on either an affordable or market rent basis.

Any decision will be at the discretion of YHG and we will inform you of our decision in writing at the end of the five year letting period.

- During the five year period, we will contact you on an annual basis to review your financial status and check that Rent to Buy is still suitable for your needs.
