Completed in Summer 2019, Middleton Court is a modern development of high-spec two-bedroom apartments, positioned in a convenient, town centre location.

Number 2 is a rear-facing, ground floor apartment, which is neutrally decorated throughout and offers spacious accommodation with the benefit of electric central heating and uPvc double glazing. All the rooms are surprisingly large and include an open-plan living space and kitchen and two double bedrooms, one with an en-suite. The property carries the balance of a 10-year Advantage new-build warranty and would make an excellent first home or buy-to-let investment.

To the side of the building is a gated access leading to a tarmac courtyard where the property has the benefit of an allocated parking space. Additionally, there is a communal bike store and bin store.

Norton is a popular town which benefits from a comprehensive range of amenities including schools, shops, pubs, golf course, sports centre and swimming pool. The town is separated by a bridge over the River Derwent from Malton, which has in recent years gained a reputation as Yorkshire's Food Capital and where there are further amenities. The railway station provides regular services to York from where London can be reached in less than 2 hours. Middleton Court is located at the eastern edge of Commercial Street, close to its junction with Scarborough Road.
