Pay rent on the share you don't own

Shared Ownership* enables you to buy an initial share of a property and pay a subsidised rent on the rest, so you can get into home ownership in manageable stages.

Initial shares of between 25% and 75%** are available: you will pay a subsidised rent on the remaining share. In the future you can purchase further shares in your home***, or sell your share and move on.

Hayley Dixon

As a single person seeking to get on the property ladder, Hayley Dixon thought the only option she would ever have would be to buy a flat through Shared Ownership.

However in January 2023 she was "over the moon" to be able to move into a one bedroom house, with a separate study and complete with a garden to enjoy.

She bought 40% of the property at the new Cambourne West development in Cambridge. The house has a full market value of £265,000 and she paid a £35,000 deposit with the financial help of her parents.
