

OLD POST OFFICE

WITHERSDALE STREET, MENDHAM, IP20 0JE

A charming and very well presented Grade II Listed period house with an abundance of character

The property is a delightful and charming Grade II Listed village house. Originally two cottages and then the village post office, the property is steeped in history and has an abundance of character and a wealth of period features including exposed timbers.

It has been adapted over the years and updated by the current vendors. It offers spacious, versatile and well-presented accommodation. The vendors use the front door into the kitchen. It is fitted in a country style the compliments the house with a range of shaker style cabinets and additional original cupboards including a pantry. The sitting room has an impressive fireplace and the room is open at the rear to an additional reception room. This is currently a family/play room but could be used for a variety of purposes, as there is a ground floor bathroom this could even be an additional bedroom. There is a utility area and the rear hall with stairs to the first floor has room for a study area.

On the first floor are three double bedrooms and a shower room and

on the second floor an impressive vaulted principal bedroom which is open to the ensuite bathroom with freestanding roll top bath.

The house is set back from the road with an area of front garden laid to lawn and there is a driveway to the side for several cars. The rear garden is contained and equally laid largely to lawn with garden sheds.
