Property Overview

On approach to the property, the sense of luxury and attention to detail is apparent the moment you arrive. Tucked off the main road, steps lead to the front entrance where a low maintenance terrace welcomes you in, with views to the front aspect and enjoying space for outdoor seating.

Step through the door into the living area, where the modern touches are immediate apparent with the media wall setting the tone for this luxury home, with the inset log burning effect fire makes it easy to imagine a cosy night in. Front aspect windows fill the space with light, and Amtico flooring runs throughout the ground floor, seamlessly blending the living accommodation and leads the way into the kitchen.

The open plan kitchen/dining area offers ample space for a dining table to host family and friends all year round, with a glazed door opening onto the rear passageway. The kitchen itself is well fitted with wall and base units, complementary worktops with marble effect splash back and a sink with drainer. Integrated appliances include a Neff oven, hob with extractor over and microwave, as well as a Bosch fridge freezer, dishwasher and Hoover washer-dryer.

An inner hall provides access to the first floor with handy cloakroom providing a W.C. and vanity sink unit, ideal for guests. Follow the stairs to the first floor landing where you will find the first two bedrooms and family bathroom.

Bedroom one holds an abundance of space, with a rear aspect window allowing ample light to fill the first floor and enjoying space for additional furniture as desired, whilst bedroom four across the landing is also a generous double, with window to the rear aspect. The main bathroom is a stylish four piece suite, comprising a bath, walk in shower and vanity sink unit with W.C., finished with complementary part tiled walls and heated ladder towel radiator.

Follow the staircase to the second floor, where the traditional exposed beams have been carefully restored by the current owners to create an effortless blend with modern day features. A large storage cupboard on the landing holds the boiler and water cylinder, whilst also providing a great space for storing essentials.

The final two bedrooms complete the picture, with bedroom two presenting a charming double with a Velux window flooding the space with light and enjoying a three piece en suite comprising a walk in shower, W.C., and hand wash basin. Bedroom three also holds the original charm with beautiful exposed beams and space for a double bed, also benefitting from an en suite with W.C., shower and hand wash basin, completed with part tiled walls and floor.
