Milford is located on the outskirts of Belper along the Derwent River with Bargate on one side and the Chevin on the other. The property enjoys far reaching views across the Chevin and there are lots of local footpaths that lead you either along the river or up over the hilltops on either side of the valley. There are regular bus services that run along the A6 at the bottom of the road and Duffield has its own train station with the main line train station located in Derby which is around 20 minutes away by car or public transport. Nearby Belper is a charming market town with a thriving high street and plenty of educational options, entertainment and health services.

The lounge sits to the front of the property with a double glazed window overlooking the front garden underneath which sits a built-in cupboard, built-in storage cupboard set to the side of a central fireplace (gas point capped off), central heating radiator, laminate flooring and latch doors leading off to the stairs and the kitchen.

The kitchen sits to the rear and is fitted with a range of base and eye level units with roll edge work surfaces, stainless steel sink unit, tiled splashback, window to the rear and entrance door to the rear. Off the kitchen is a large understairs pantry with built in cupboards, a stone thrall and window to the rear.

On the first floor carpeted stairs lead past an exposed stone feature wall and a window overlooking the rear garden ending on a landing with latch doors leading off to bedroom one and the bathroom, a second set of stairs rises to the second floor. Bedroom one has a double glazed window overlooking the front elevation, a central heating radiator and fitted carpet.

The first floor bathroom has been fitted with a three piece suite comprising low flush WC, pedestal wash basin and a panelled bath with an electric shower over, window to the rear, built in airing cupboard.

Stairs lead up to the second floor past a built-in storage chest with a latch door opening into the second floor bedroom which is a lovely size with a charming dormer with spectacular views over the Chevin. There are exposed original ceiling beams and a stripped pine floor as well as a central heating radiator.

Outside, the property sits back from the road in a slightly elevated position with stone boundary walls and stone steps rising to a small lawned front garden with blue and white bells in the borders. To the rear is an enclosed rear yard with two brick built outbuildings. The boundary extends over the rear access path to a small raised garden terraced area which can be accessed by ladder (next door have built a wooden set of steps to access their section).
