HAMILTON HEIGHTS

Joyness

[Joi-nis] That deliciously warm feeling you get when you come home to a Robertson

Whether you've been away on holiday, you're coming home from work or you're stepping into the warm on a crisp, cold day, there's no better welcome home than the one you get from a Robertson home. Each one is unmistakable, with generously sized, light-filled rooms, quiet places where you can curl up with a book, or cosy corners that are perfect for snuggling together.

Best of all, however you live in yours, we've made sure every bit of your home from its fixtures, special features and careful finish will provide the perfect backdrop.

Massificent

[Mas-iff-ee-sent] Larger than expected living spaces

There's something rather special about the rooms in a Robertson home. They're large, beautifully proportioned and the ceilings are higher than you'd expect. You'll be pleasantly surprised by the quality of the design and the exquisiteness of the expert finish.

There's space to relax, a place to enjoy 'me-time'; enough room to get together and hear about each other's day and areas that you can transform and adapt to be whatever you want them to be. You can have an office area that can be shut-off from the rest of the home allowing you to get on with the 9 to 5 in peace and quiet; you can have a playroom for the kids, a hobby room for your talents or a cosy extra space for your overnight guests.

Kitchens are big, bright and open plan, with a breakfast bar, room for sofas and an elegant dining area giving your family options as well as plenty of space to relax, socialise or create exciting new dishes.

Most of our bedrooms are double sized with ample built-in storage or room for freestanding furniture. Many have en-suites or Jack and Jill bathrooms with separate showers.

Lumnificent

[Lum-niff-ee-sent] Windows thoughtfully designed to make the most of every drop of daylight

FLOODED WITH NATURAL LIGHT

Even on the duller days, natural light floods through a Robertson home. It's all thanks to the beautiful arrangement and placement of the windows in every room, especially the one in the Garden Room. Each one has a statement Cathedral-style window – one of Robertson's signature features. Its size and impeccable design is in perfect unison with the scale of the room and height of the ceiling.

It also gives you a beautiful view of the great outdoors, whether this is over your private garden or offering a tantalising glimpse of the natural surroundings beyond the home. Letting the outdoors in by encouraging a flow of natural daylight not only makes your home look even more spacious but it can help support feelings of well-being all year round.

Abundacious

[Ab-un-day-shuss] Where there's so many good things to see and do

HAMILTON, ENJOY THE BEST OF EVERYTHING

Located in the heart of the Lanarkshire countryside, less than 2 miles from the bustling Hamilton town centre, this development offers the best of both worlds. Hamilton, South Lanarkshire's premier shopping and entertainment destination offers two shopping centres, two retail parks, and a large array of restaurants, pubs and leisure facilities. Nearby, Strathclyde Country Park offers a wealth of activities such as sailing, water-skiing and football, in addition to a jogging track and walking trails throughout its 400 hectares.

Hamilton couldn't be better placed for those who need easy access to Glasgow. Three train stations – Hamilton Central, Hamilton West and Chatelherault – provide frequent services to Glasgow and easy links to the rest of the central belt. A good bus network also provides access across the region, while motorway links including the newly-upgraded M74 and M8 make car travel quick and easy.

Hamilton Heights is well served by a good mix of local nurseries, primary and secondary schools, and is in the catchment for Hamilton Grammar School; one of the better performing schools in South Lanarkshire. The very popular Hamilton College offers private nursery, primary and secondary education, and the University of West Scotland also has a campus in town which offers a diverse range of courses, creating exciting opportunities for all ages.

Qualicious

[Kwoll-ai-sh-uss] Full of the things that help make you look good in the kitchen

Quality is evident in every delicious detail of our kitchens. This extends behind the finish and can be demonstrated in millimetre-perfect fitting and the choice of modern appliances.

At the heart of every Robertson home is a beautifully designed and equipped kitchen available in a selection of colours and styles. There is a range of contemporary worktops and upstands and, if you're looking for something even more special, you have the option of a luxury upgrade in both the kitchen and utility room.

All of our crafted units have soft-close doors and drawers and appliances such as ovens, microwaves, 4 or 5 zone induction hobs by AEG and integrated fridge-freezers and dishwashers from Zanussi are included as standard. Each kitchen is equipped with a 1½ bowl stainless steel sink with drainer and chrome mixer tap.

The whole beautiful ensemble is softly lit by slim-line LED lighting and downlighters, controlled from satin chrome switch plates. To enhance the effect, the modern central heating boiler and programmer are tucked away in the garage or utility room, depending on the house type.

Whether you're enjoying some well-deserved pampering or just getting the family ready for bed, you'll be doing it in sumptuous style.

Each bathroom, en-suite and cloakroom features elegant design and superior specification. We've chosen contemporary sanitary ware by top international brand Laufen, complemented by stylish chrome taps and fittings by Hansgrohe. There's a choice of wall tiling* from the Porcelanosa range, with half-height tiling around the bath in the family bathroom, plus full-height tiling around showers.

En-suites have thermostatic showers, with low-profile trays and quality glass and chrome doors, cabinets and fittings. Family bathrooms and primary en-suites have heated towel rails, and modern downlighters.

PLUMBING AND HEATING

The gas-fired heating system is powered by a high-efficiency boiler and features Myson radiators with smart end panels and grills. Radiators have thermostatic control valves (except in rooms with thermostats). The two zone system features modern, easy-to-use, programmable controls that will ensure a comfortable temperature in your home at all times.

Spa-ah

"We have a wide range of upgraded tiling for walls and floors that you can select for your bathroom, en-suite or WC. Just speak to our team to find out how you can add a touch of personal luxury to your bathroom."

Ryan Thomson, Finishing Touches Manager

THE 10 PRINCIPLES OF THE NEW HOMES QUALITY CODE

We are a registered developer of the New Homes Quality Board (NHQB) and adhere to the New Homes Quality Code (NHQC). Below is a nationally recognised code of standards and principles which we must always adhere to during your buying process.

1. FAIRNESS

Customers must be treated fairly throughout the home buying and after-sales process.

2. SAFETY

Works must be carried out and completed in accordance with all requisite Building Regulations and Requirements, as may be set out by a Building Safety Regulator or local authority, as applicable.

3. QUALITY

All works must be completed to a good quality standard in accordance with all applicable building and other standards and regulations as well as to the specification for the New Home and ensure that Legal Completion only takes place when a New Home is complete (as defined in section 2 of the Code).

4. SERVICE

Systems, processes and training of staff must be in place to meet the Customer Service Requirements of the New Homes Quality Code and not use high-pressure selling techniques to influence a Customer's decision to buy a New Home.

5. RESPONSIVENESS

Be clear, responsive and timely in responding to Customer issues by having in place a robust after-sales Service and effective Complaints process as required by the Code.

6. TRANSPARENCY

Provide clear and accurate information about the purchase of the New Home, including tenure and potential future committed costs such as those relating to Leasehold or Management Services.

7. INDEPENDENCE

Make sure that Customers are aware that they should appoint independent legal advisers when buying a New Home and that they have the right, as set out in the Code, to an independent Pre Completion Inspection before Legal Completion takes place.

8. INCLUSIVITY

Take steps to identify and provide appropriate support to Vulnerable Customers as well as to make the Code available to all Customers, including in appropriately accessible formats and languages.

9. SECURITY

Ensure that there are reasonable financial arrangements in place, through insurance or otherwise, to meet all obligations under the Code, including timely repayment of financial deposits when due and any financial awards made by a New Homes Ombudsman Service.

10. COMPLIANCE

Be subject to, co-operate and comply with the Requirements of the New Homes Quality Board and a New Homes Ombudsman Service.

As part of our customer journey, we'll provide you with full terms and conditions of the New Homes Quality Code. If you have access to the homeowner's hub, they will also be stored here.

COMPLAINTS PROCEDURE

Our committed teams work hard to ensure that each step of your journey with us delivers the Robertson standard.

Our aim is to deliver a quality of service that lives up to your expectations. Should you have any questions or concerns about Robertson Homes, or wish to make a complaint, please contact us straight away.

Our Complaints Procedure is designed to identify and resolve any issue you may have, efficiently and effectively.

HOW TO MAKE A COMPLAINT:

For our complete complaints process please visit:

WHAT TO DO NEXT

HERE TO HELP

We can advise on any aspect of your move, from choosing a solicitor to getting a great mortgage. We even have a range of packages to help you find a buyer for your old home. Just ask for details.

THE PERSONAL TOUCH

Once you've reserved your home we'll help you choose the finishing touches* that will reflect your personal taste and make your home unique.

WITH YOU ALL THE WAY

Our team will welcome you when you move in, and they'll keep in touch over the following weeks. We have a comprehensive customer service team to look after you.

PEACE OF MIND

Your new Robertson home will be built and finished to the highest standard and it's covered by the NHBC's 10 Year Buildmark warranty. Kitchen appliances are all covered by their own manufacturers' guarantees. Our customer journey is designed to keep you informed and supported through every stage of your moving process.

The Consumer Protection from Unfair Trading Regulations 2008. Robertson Homes operate a policy of continual product development and the specifications outlined in this brochure are indicative only.
