THE PLACE WHERE I

Belong

Moving home can be exciting, a fresh start, a new beginning. It usually starts with a challenge. We've run out of space, our family is growing, we want to own our first home, we want to get on to the property ladder before it's too late, we can afford something a bit bigger, Mum is coming to stay, the kids need space of their own, I need space of my own. The list is endless and personal to each of us.

We've been a family company for generations and we know just what makes families happy at home. Great space to be together, space to be apart. Great surroundings to take the dog for a walk, for the kids to play outside safely, plenty of fresh air, mature trees, a green place, a place to be healthy and happy – that sense of well-being you feel when everything is just right.

Inside it's all about comfort. A gleaming kitchen with plenty of worktops, premium new appliances and space for a proper kitchen table, a garden to enjoy when the weather is right, plenty of storage to hide away the boots, coats, school bags, Hoover, a beautiful bathroom – practical for the family with a bit of luxury for you, bedrooms with space and some with beautiful oak finish wardrobes, already built in.

All the little touches that say – this is a quality home built with craftsmanship and by people who really care.

It's warm when you come home each evening to put your feet up, it's bright and airy when you get up in the morning to make coffee, the water is hot when you need it and the energy bills are low. The French doors open to the garden and lure the kids out so inside you can relax for a bit.

You don't have to think about your home because everything is just right. Life is for living. Weekends are for friends, sports, days out, nights in. Your home – the place to snuggle up, be fulfilled, hear laughter, plan the future, feel blessed, know that this is where you belong.

At Bancon Homes, we pride ourselves on the quality of our craftsmanship and include all the little things that you'll want as standard. There is no need to think about added extras when you buy a Bancon home as we've thought about them for you.

The kitchen is really the heart of your home. It's the place where you spend the most time cooking, chatting, kids at the kitchen table doing their homework, friends over for a relaxed supper. The hub of your home, it's where family and friends gather and there's plenty of room for everyone. There's plenty of space too for cooking, from quick mid week suppers to big Sunday lunches, with streamlined work surfaces, great storage and all the best Siemens appliances included.

Your Leicht kitchen comes from Kitchens International and our designers work with them to create the perfect kitchen, whatever your lifestyle, with soft close drawers and stylish finishes. When it comes to taste, it's all yours and you can choose the kitchen colours and finish that suits you best (dependent on point of reservation).

The kitchen comes complete with a single oven and an induction hob – heat when you need it, faster than gas, easy to clean, more energy efficient and more importantly, safe for the kids as the hob cools down quickly.

In some of your bedrooms you'll also find oak finish wardrobes built in and ready to fill. In the bathrooms and en-suites, you'll find the very best pristine white fittings with contemporary taps, large showers and Porcelanosa tiling.

It's the little things that matter like plenty of storage for bags, coats, suitcases, toys and the things you want to hold on to, and USB points so you don't have to find the plug each time you need to recharge your phone.

As many of us now work from home, communication is key, and we include superfast broadband in all our homes, making speed and connectivity easy when you choose your broadband provider.

With heating and hot water provided by an air source heat pump, you'll also lower your carbon emissions and increase your home energy efficiency.

We pride ourselves on the level of individual customer care we provide, and our passionate team is committed to delivering an end-to-end personalised service throughout the entire buying process. It really matters to us that each and every customer is happy with their home. We know how important it is. We were therefore delighted when we secured a prestigious Gold Award from independent research company In House Research Ltd for the sixth consecutive year.

Bancon Homes is a Registered Developer with the New Homes Quality Board.
