## Description

26 Windsor Street is an attractive character office which has been well maintained and benefits from a recent refurbishment. The building is set out over ground, first and second floors, with the ground floor benefiting from a recent modern extension which leads out into the private courtyard garden.

The ground floor benefits from a recently installed modern kitchen and bathroom, as well as more traditional features. The upper floors each benefit from 2 rooms, one to the front of the building and one to the rear, all with original fireplaces. New air conditioning has been installed throughout and the building is currently used as an office. It would be well suited for conversion into a single dwelling house subject to the relevant planning permissions.

## Location

Located in the heart of Chertsey Town Centre, Windsor Street is an attractive location with a mix of residential and business locations. Just off Junction 11 of the M25, this position offers excellent access to London with both Heathrow and Gatwick airports within easy reach. Chertsey railway station is a short walk. A busy high street with bars, restaurants and local attractions make Chertsey a great place to work, live and socialise.
