A door leads out to the side, while another door leads into the adjoining kitchen, while a large open plan walkway flows through into the main living room which provides access into the conservatory at the rear and sun room at the side which could be utilised as a home office or hobbies room.

The front aspect kitchen has been refitted in recent years, in a modern style, providing a comprehensive range of fitted units and work surfaces, large integrated electric hob with feature hood over, integrated double oven with warming drawer, integrated concealed fridge/freezer, dishwasher and washing machine along with a wine chiller and part glazed door to the side leading into a useful side lobby providing access to the side and a built-in pantry style storage cupboard.
