Welcome to Heron Park

From the moment you step inside one of our homes, you'll discover sumptuous modern living which has been designed, crafted and built to high standards.

Having developed across Lincolnshire for over the past 35 years, we enjoy an enviable reputation for not only building homes of superior quality but also creating attractive well-planned developments where new communities grow and flourish. Basically we build lovely homes in great settings.

The same care and attention is given to all the new homes across our stunning range. So whether you are taking your first steps onto the housing ladder, securing a home for your growing family, or looking to downsize we have a new home for you.

We are very proud to be building in the historic village of Wyberton. All the new homes have been designed to reflect the semi-rural setting and include a palette of materials that are traditionally found in and around the area.

The historic and vibrant market town of Boston is less than a 10 minute drive away, so whether you are looking for an excellent school for the children, great shopping or a fantastic night out, all this can be found in this charming market town.

So relax, they're Chestnut Homes!

We love building our new homes, and we hope you will love living in one.

Quality fixtures and fittings

KITCHENS

The kitchen is at the heart of the home, so we take special care to make sure it works as good as it looks. Choose from contemporary or traditional styled cabinet doors, all featuring the latest square edge worktops. Sleek stainless steel built-in appliances complete your beautiful kitchen.

TILING

Porcelanosa wall tiles sourced from Spain complete our bathrooms, ensuites and cloakrooms. We have a stunning range to choose from, so whether you are looking for crisp white or a bit of texture and colour we have the tiles to suit your taste. Some of our homes also have beautiful tiled floors, ask one of our staff for full details.

BATHROOMS

We spend lots of time perfecting our bathrooms so you can enjoy that long soak in the sleek white Pura bath which you will find snugged perfectly next to the Roper Rhodes fitted bathroom furniture. Showering is provided by thermostatic Aqualisa showers. So if a long soak in the bath is not your thing, hop in the shower for an invigorating blast, and then dry your towels on the shiny chrome towel rails that are fitted to many of our homes.

KEEPING YOU WARM

We fit really high levels of insulation in the loft, walls and floors of your lovely new home. This not only keeps you and your loved ones nice and cosy, but will also help to keep those fuel bills as low as possible.

SECURITY & SAFETY

Security comes first with multi-point locks to all external doors, so you can feel safe in your new home. Mains wired smoke detectors ensure that you can sleep safe in the knowledge that your home is being monitored. UPVC windows help with security, and are of course low maintenance leaving you free to enjoy your new home and your leisure time.

BUILT-IN WARDROBES & STORAGE

Most of our new homes benefit from at least one stunning built in wardrobe, which you can style to suit your taste and decor. Where possible we have also provided cupboards for extra storage (you can never have enough, and we all need somewhere to store the Christmas tree!). Our friendly staff can give you full details... just ask!

CONNECTED

All homes at Heron Park can benefit from a fibre network for that all important broadband connection. All the wiring is brought into your new home, so you just have to sign up with a provider to get connected. Beautiful contemporary switches and sockets are provided in key areas of your new home, and we even include USB sockets to make charging your phone or iPad (other brands are available!) as easy as possible.

PEACE OF MIND

We are very proud of our 'A Rating' with the NHBC (the highest you can get), which means you can buy from us with confidence. The NHBC Warranty lasts for 10 years. Pretty much everything in the first two years is covered apart from wear and tear, and the following 8 years ensures that all the main structural parts of your home are covered to give complete peace of mind. You will be provided with full details of the Warranty.
