

The image features a textured, light-colored background with a subtle, embossed pattern. In the top-left and bottom-right corners, there are intricate, abstract geometric line art designs consisting of numerous thin lines that curve and intersect to form complex, organic shapes. The central text is rendered in a dark green color.

# Description

16 St Clare Street showcases a building with a sleek and efficient layout.

It is a building refurbished by Ben Adams Architects who focused on creating bright and creative workspaces.

The efficient floorplates are flooded with natural daylight from three elevations breathing life into the building. The exposed services throughout add a touch of contemporary and industrial feel. Entry to the building is through an impressive reception area that accommodates a DDA platform lift servicing all floors and a WC designed for disabled access.

Each office suite, averaging around 1,950 sq ft (181.15 sq m), benefits from demised WCs within, ensuring convenience for occupants. New communal shower facilities at the basement level cater to the modern professional lifestyle. The property also has the added benefit of secure cycle storage (it can also be used as a car parking space).

**The first floor is delivered CAT A+, fully furnished and ready for tenant occupation.**
