# WELCOME TO ISLAND LIFE

**Tune into the sound of the water and take in stunning views of the estuary. Explore the undulating coastline and lose yourself amongst the woodland trails. Meet new people, make new friends and make more memories. This is island life.**

From the bustling beaches to the welcoming independent businesses lining the streets; as soon as you arrive here you'll feel part of the community. This idyllic haven is known as one of 'Essex's best kept secrets' and during high tide it can certainly feel like that. Twice a day at high tide, the Strood (the causeway connecting Mersea to the mainland) can become submerged in water, making you feel as if you're in your own world, if only for a little while.

Recently voted as one of the best places to live in the UK, Mersea Island is known for its breathtaking landscapes, delicious seafood cuisine and laid-back atmosphere, which is all at your fingertips when you live at Sanderling Reach.

Vote published by The Times.

**Surrounded by beautiful countryside, Sanderling Reach offers a truly unique and inspired living environment.**

# A PLACE TO ENJOY FOR YEARS TO COME

**Sensitively & thoughtfully designed to complement the surrounding area, a combination of weatherboarding and red brick exteriors, as well as brick arches, detailed chimneys, entrance canopies, sliding sash windows and clay tile roofs add to the traditional Essex architectural feel.**

# THE EBB & FLOW OF LIFE

**Surrounded by natural beauty, rolling countryside and with the beach just a five-minute walk away, Sanderling Reach offers an abundance of outdoor space that everyone can enjoy.**

Spend your days hiking across open fields, cycling muddy trails or exploring leafy woodland. Peer into the hedgerow and you might spot a dormouse or a rabbit, look up and you might see sanderlings gliding; every day presents an opportunity to discover something new.

To truly immerse yourself in island life, head to West Mersea beach. Indulge in a stroll along the front to admire the pastel-coloured beach huts, a run with the dog or seaside games with all the family. This is the perfect place to immerse yourself in all the island has to offer.

If you wander westward you'll find fishing and sailing boats casting off or mooring up at the jetty. Head even further west and you'll find yourself roaming the incredible Blackwater Estuary – once sailed by marauding Viking armies. This piece of unspoilt splendour provides a true sense of wilderness, with its network of salt marshes, mudflats and islands all home to a variety of wildlife, from flocks of geese to the majestic hen harrier.

So whether you're an early riser who relishes a peaceful walk before the world wakes, or a night owl who prefers an exhilarating evening run after a busy day, there's something to suit every lifestyle.

# A PLACE FOR EVERYONE

**A warm and welcoming community in a charming little corner of the world, tucked away from the hustle and bustle of everyday life.**

With its picturesque street scenes, green open spaces and a growing community of like-minded people, Sanderling Reach is a wonderful place to call home.

Designed with community in mind, a natural playground and an off-lead dog area offer the ideal place for neighbours to come together and where children can explore and make new friends.

Living here, residents will be a short walk from the town centre, which offers a host of shops, cosy pubs and stylish restaurants alongside a well-regarded school and Montessori Nursery for growing families.

At Sanderling Reach you will experience the tranquillity of the countryside and coast, with all the benefits of modern living. It's simply an outstanding place to live and unlike any other you'll find in the area. So whether you're looking for your first home, a house for a growing family or simply something smaller to settle into, you will find a lifestyle to suit you here.

# DESIGNED WITH CARE

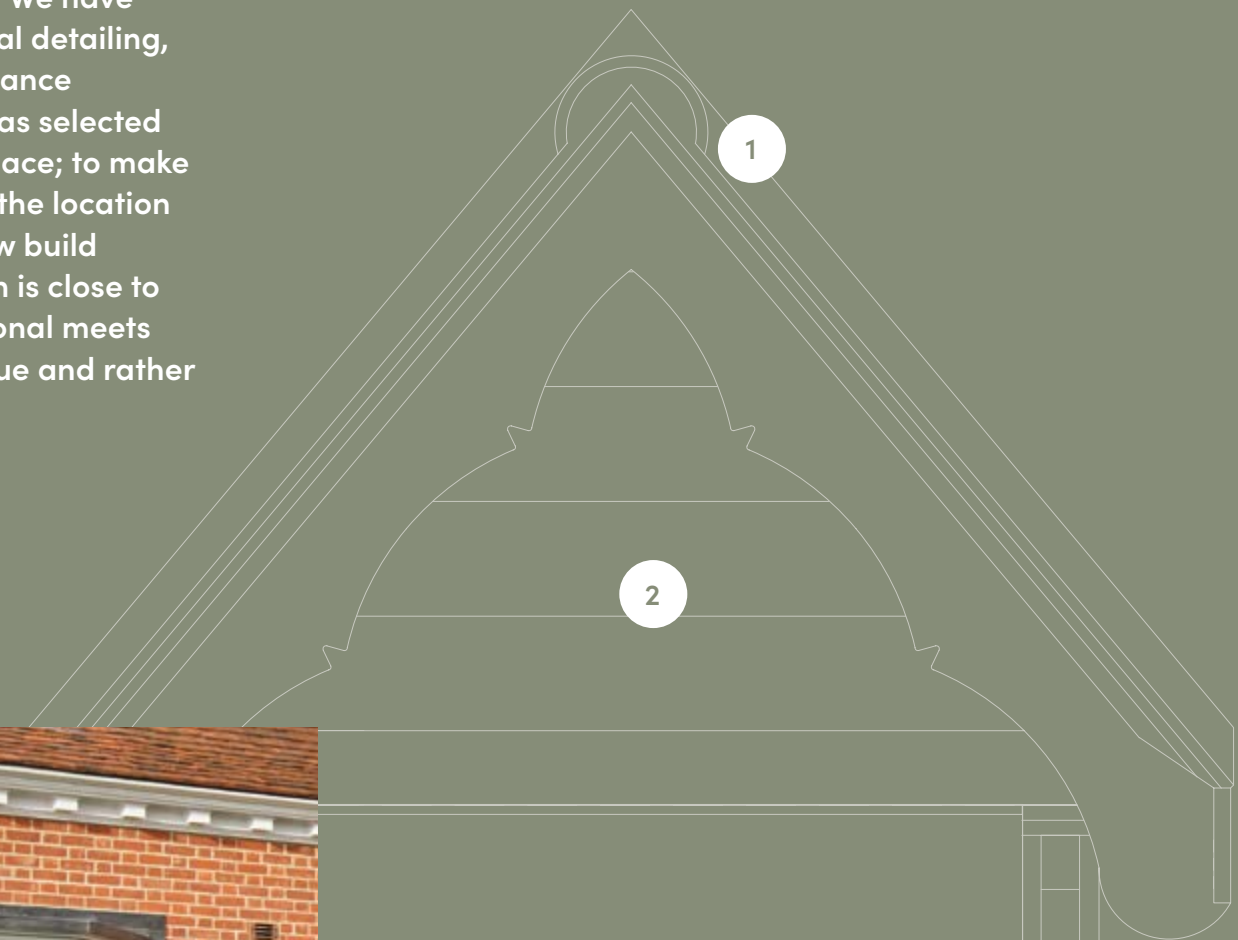

At City & Country, we view our new homes through the lens of a heritage developer. As such our Design & Restoration Director, Simon Vernon-Harcourt, has been critical to providing an architectural style that reflects the wider island.

“As well as being a fabulous location just a short walk from the beach, we wanted to create new houses that responded to the history of the best architecture on the island and along the Essex coast. The vernacular architecture is dominated by brick and painted weatherboarded walls, clay roof tiles, sliding sash windows, chimneys, and rich detailing. We have created bespoke architectural detailing, including barge boards, entrance canopies and eaves; as well as selected materials that reflect their place; to make the homes truly reflective of the location and stand out from other new build properties. Sanderling Reach is close to the beach and where traditional meets modern, it makes this a unique and rather rare development.”

# WHERE LIFE FEELS NATURAL

**Nestled away on the Essex coast, Mersea Island offers an untouched and unspoilt splendour, helping you reconnect with nature.**

Whether you choose to spend your time close to home, wandering the beautiful surrounding parkland or getting lost in creativity; this is a place that has something for everyone. As part of the island's seven square miles of coastline, you can explore scenic sandy beaches, wide open farmland, dense marshes and the dramatic forms of the East Mersea Flats Nature Reserve.

**It's no surprise that the water plays a big part of everyday life here, with a variety of watersports activities to try and clubs to join.**

The island prides itself on its strong sailing heritage, with a number of associations continuing to wave the flag. Keen sailors will be in their element at West Mersea Yacht Club, which has over 1,000 members and is open 365 days of the year.

For those who don't sail, there are still plenty of other ways to get out on the water. Mersea Island Watersports offers paddleboarding, kayaking and windsurfing lessons, or why not see the island from a different perspective with a fishing trip? Lady Grace Boat Trips are used by locals and tourists alike and host regular summer sightseeing events, including seal spotting. Furthermore, the legendary West Mersea Town Regatta is one of the biggest events of the year and a tradition dating back to 1838.

# LIVE LIFE ON THE WATER

# LEAD THE WAY

Away from the water, there's even more to explore; you can perfect your serve at the tennis club, try your hand at bowls on the green or simply enjoy a stroll through Cudmore Grove Country Park, a 102-acre nature reserve that's teeming with flora and fauna.

Mersea Island RFC also remains one of the island's bedrocks of sport, with a senior rugby team underpinned by a youth academy that nurtures up and coming talent.

It's not just the great outdoors that makes this location so special; creativity and community is at the heart of island life. Discover the secrets behind the wine making process at the local vineyard, delve into the island's heritage at the museum, or catch a film night at the Mersea Centre.

# YOUR COASTAL COMMUNITY

The eclectic mix of independent boutiques, restaurants and bars alongside the unrivalled natural setting makes this a place that naturally brings people together from all walks of life. From the artistic collective of writers, painters, photographers and potters to the network of fishermen who have been here all their life; Mersea Island has community spirit at its heart.

This hidden gem is currently home to just over 7,000 residents and has a close-knit community of local creatives and independent businesses. From budding artists and artisans to Oyster connoisseurs and Olympic sailors, Mersea Island is an inspiring place to live.

# DISCOVER FRESH, LOCAL CUISINE

**With so much choice on the island, you'll never have to travel far for a good meal. Cosy pubs, seafood shacks, fine dining restaurants; Mersea Island has everything just a short stroll away.**

Start your day the right way with a fresh brew from one of the various cafés on the island; The Art Café is well known for its cooked breakfasts, while Maria's Vintage Tearoom is a haven for those who have a sweet tooth.

Elsewhere on the island you'll find something to satisfy every taste bud. The Company Shed is not just one of the most popular eateries locally, it's also one of the most popular places to eat in Essex. People from far and wide flock here to sample 'a taste of the island', with a menu that's packed with fresh crab, lobster, fish and mussels. The Oyster Bar is equally popular for its seafood lunches and waterside terrace, where you can sit back and watch the world (and boats) go by. If you'd prefer a traditional Sunday roast then head to one of the nearby pubs; The Fox Inn and The Dog & Pheasant serve up classic hearty dishes.

## QUALITY & PASSION

- Since Roman times, Mersea has been an exporter of Oysters to world capitals and famous culinary establishments.
- About 30m from boat to stall, it's the freshest daily catch.
- The Mersea Island Vineyard grows four varieties of grapes, whilst they also infuse gin and brew ale too!

# FROM HIGH STREET TO HIGH FASHION

**Whether you're in search of an afternoon of retail therapy or a gift for a loved one, Sanderling Reach is well placed.**

Coined 'Britain's First City', Colchester's historic town centre is less than a 25-minute drive away and offers a unique shopping experience, brimming with charming streets, squares and arcades that are all lined with a choice of high-street names, designer labels and independent boutiques.

What's more, Chelmsford is just under an hour's drive away and provides further shopping options as its bustling city centre is home to two indoor shopping centres, High Chelmer and Meadows.

The main lure of Chelmsford remains its very own Bond Street, a relatively recent addition to the city centre that has a great selection of stores including John Lewis, not to mention a choice of riverside restaurants and cinemas for taking in classics, new and old.

Meanwhile, the designer retail outlet Braintree Village is also just under an hour's drive away and offers high fashion alongside a cinema, swimming pool, bowling alley and a selection of eateries.

# EXPLORE ESSEX

**Sanderling Reach is a short drive from a number of wonderful towns and villages that all offer something different.**

## ON YOUR DOORSTEP

Just over the water is Brightlingsea, a small coastal town on the River Colne. Its beach is a hotspot for sea swimmers, while the lido is a popular family attraction during the summer months. There's also a good selection of pubs, shops and restaurants, and you'll find even more choice towards the Heybridge Basin and Maldon, including its quirky quay, barges and pirate-themed children's playground with a popular splash park too.

Elsewhere in the county, there's so much to keep you and the entire family entertained including the well-loved Tiptree Jam Factory, where you can learn about the heritage of jam making in Britain's largest village.

## COLCHESTER

The vibrant town of Colchester is brimming with places to go and things to do. Be transported back in time with a visit to Colchester Castle, enjoy a picnic in the park, take in a show at the arts centre, or explore the popular gallery Firstsite, winner of Art Fund Museum of the Year 2021. Perhaps even pay a visit to Colchester Zoo to uncover its vast range of exotic species. Alternatively, unwind with a luxury treatment at Bannatyne Spa or discover the area's rich railway heritage at Colne Valley Railway.

## CHELMSFORD

There's plenty to do in Chelmsford as well. Whether it's attending one of the many events held at the Grade II\* listed Hylands Estate, discovering the city's past at Chelmsford Museum, enjoying a show at the Civic Theatre or witnessing the miniature railway on the banks of the River Can, there's no shortage of things to see in this marvellous city. The well-regarded Chelmsford Race Course is right at your fingertips too, with its schedule of races and busy calendar of events including concerts and other live performances.

# PERFECTLY PLACED
