What The Vendor Loves About Their Home

When looking for my new home, I was keen to find an affordable character property which I could move straight into. As soon as I walked in and saw the fire going I knew this was the property for me. Having now lived here for a couple of years I like the space on offer in the kitchen / diner and my bedroom, however having a decent back garden which just backs onto fields is great and I have spent many a happy afternoon in the sun. One of my concerns, was having no parking, however I appreciated at the price it was unlikely, having now

lived here I shouldn't have worried as there is plenty of on street parking within striking distance of the property. I will miss my little cottage and I wish the new owners many happy memories.
